

Federal Register on December 12, 2005.⁴ The Commission received no comments regarding the proposal. This order approves the proposed rule change.

The proposed rule change would establish that, in addition to a floor broker crossing a SizeQuote Order with a facilitation order in accordance with the SizeQuote Mechanism's procedures, a floor broker also may cross the SizeQuote order with one or more solicited orders or a combination of solicited and facilitation orders.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b)(5) of the Act.⁵ The Commission believes that, by giving floor brokers the alternative of crossing customers' SizeQuote Orders with solicited orders, the proposed rule change is intended to expand the potential benefits of the SizeQuote Mechanism. The Commission notes that the proposal does not alter the procedures a floor broker must follow in executing SizeQuote Orders.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁶ that the proposed rule change (SR-CBOE-2005-83) is approved until the expiration of the current SizeQuote pilot program on February 15, 2006.⁷

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁸

Assistant Secretary.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change, as amended, and discussed any comments it received on the proposed rule change, as amended. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Under current NASD Rule 4901(i), entities that are not members of the NASD may use the Brut system until December 31, 2005. Nasdaq proposes to amend this provision so as to allow non-NASD member broker-dealers to use the Brut system through February 8, 2006.⁷ Nasdaq notes that the continued provision of such access impacts seven current Brut broker-dealer users (four active and three inactive), which Nasdaq believes is similar to access already being provided by the Arca Trading subsidiary of the Archipelago Exchange.⁸ Nasdaq commits that Brut will not accept any new broker-dealer subscribers to its system that are non-NASD members during the extended

⁷ Nasdaq states that non-NASD member entities that are not broker-dealers will not be able to use the Brut system beyond December 31, 2005. Nasdaq states that the February 8, 2006 date was selected to coincide with the current deadline for non-NASD member broker-dealers to leave Nasdaq's INET Facility. See Securities Exchange Act Release No. 52902 (December 7, 2005); 70 FR 73810 (December 13, 2005) (SR-NASD-2005-128). Nasdaq states that the INET Facility is expected to be merged into the Brut broker-dealer in the near future.

⁸ See Securities Exchange Act Release No. 52497 (September 22, 2005); 70 FR 56949 (September 29, 2005) (SR-PCX-2005-90).

⁴ See Securities Exchange Act Release No. 52888 (December 5, 2005), 70 FR 73492.

⁵ 15 U.S.C. 78f(b)(5). In approving this proposed rule change, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

⁶ 15 U.S.C. 78s(b)(2).

⁷ The Commission notes that the current SizeQuote pilot program expires on February 15, 2006. The Exchange has indicated to Commission staff its intent to propose an extension of the pilot program, as amended by the instant proposal, for an additional year. access period for current non-NASD member broker-dealer system users proposed in this filing.

2. Statutory Basis

Nasdaq believes that the proposed rule change, as amended, is consistent with the provisions of section 15A of the Act,⁹ in general, and with section 15A(b)(6) of the Act,¹⁰ in particular, in that it is designed to promote just and equitable principles of trade, and to remove impediments to a free and open market and a national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change, as amended, will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change, as amended, is subject to section 19(b)(3)(A)(iii) of the Act¹¹ and Rule 19b-4(f)(6) thereunder¹² because the proposal: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative prior to 30 days after the date of filing or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that Nasdaq has given the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

Nasdaq has requested that the Commission waive the five-day pre-filing requirement and the 30-day operative delay. The Commission believes that waiving the five-day pre-filing requirement and the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver will permit

current non-NASD member broker-dealers continued access to the Brut system without disruption. In addition, the Commission notes that the proposed rule's February 8, 2006 date matches the date for which non-NASD members are required to leave Nasdaq's INET facility. For these reasons, the Commission designates the proposed rule change, as amended, to be effective and operative upon filing with the Commission.¹³

At any time within 60 days of the filing of such proposed rule change, as amended, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.¹⁴
