*Description:* The Copeland Act (40 U.S.C. 3145) requires contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." Regulations 29 CFR 5.5(a)(3)(ii) requires contractors weekly to submit a copy of all payrolls to the Federal agency contracting for or financing the construction project. A signed "Statement of Compliance" indicating the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon Act prevailing wage rate for the work performed must accompany the payroll.

Regulations 29 CFR 3.3(b) requires each contractor to furnish such weekly "Statements of Compliance." Regulations 29 CFR 5.5(a)(3)(i) requires the Social Security Number of each employee on such payrolls.

Regulations 29 CFR 3.4 and 5.5(a)(3)(i) require contractors to maintain these records for three years after completion of the work. Contractors and subcontractors must certify their payrolls by attesting that persons performing work on Davis-Bacon and Related Acts (DBRA) covered contracts have received the proper payment of wages and fringe benefits. Contracting officials and Wage and Hour Division staff use these certified payrolls to verify that contractors pay the required rates and as an aid in determining whether the contractors have properly classified the workers for the work they perform. The DOL has developed the optional use Form WH-347, Payroll Form, which contractors may use to meet the payroll reporting requirements. The form contains the basic payroll information that

contractors must furnish each week they perform any work subject to the DBRA.
