###### 1. Purpose

On August 9, 2005, the Commission approved new NASD Rule 2111, Trading Ahead of Customer Market Orders, which, among other things, prohibits a firm that accepts and holds a customer market order from trading for its own account at prices that would satisfy the customer market order, unless the firm immediately thereafter executes the customer market order.<sup>5</sup> On October 10, 2005, NASD issued *NTM 05-69* informing firms of Commission approval of new Rule 2111 and the January 9, 2006 effective date of the new rule.<sup>6</sup> *NTM 05-69* also informed firms that NASD would be publishing a separate *NTM* providing guidance regarding the application of Rule 2111. In *NTM 06-03*, NASD staff is, among other things, publishing questions and answers regarding the application of the new rule to assist members in their implementation.

NASD is filing the proposed rule change for immediate effectiveness as a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule of NASD. The compliance date of the proposed rule change will be January 9, 2006, which will coincide with the compliance date for Rule 2111.

###### 2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which requires, among other things, that NASD rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. believes that the proposed rule change will clarify the application of market orders under Rule 2111 and enhance the integrity of the market.

#### B. Self-Regulatory Organization's Statement on Burden on Competition

Written comments were neither solicited nor received.
