

residential properties containing approximately 124 units located in Minneapolis, Minnesota. The claims were brought on behalf of the Department of Housing and Urban Development ("HUD") and the Environmental Protection Agency ("EPA") under the Residential Lead-Based Paint Hazard Reduction Act, 42 U.S.C. 4851 *et seq.* ("Lead Hazard Reduction Act"). The United States alleged in the complaint that the defendant failed to make one or more of the disclosures or to complete one or more of the disclosure activities required by the Lead Hazard Reduction Act.

Under the consent decree, defendant will certify that he is complying with residential lead paint notification requirements. He has agreed to hire contractors to complete risk assessments and has agreed to abate all lead-based paint hazards identified in all residential properties he owns and manages. Defendant is required to complete abatement of one-fifth of his portfolio each year, and to complete all required hazard abatement activities within five years after HUD and EPA approve Defendant's hazard abatement plan. The schedule for hazard abatement will be accelerated to require completion of abatement in any unit within five months of Defendant learning about the presence of a child with an elevated blood-lead level (in addition to the requirement to comply immediately with any abatement order issued by a local government which requires any immediate measures to protect a poisoned child).

In addition, Defendant will pay a civil penalty of \$7,500 to the United States. Defendant will also perform a child health improvement project of \$50,000 to provide for a mobile testing vehicle to conduct lead screening and testing of children in the Minneapolis-St. Paul area within two years after entry of the Consent Decree.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the consent decree. Comments should be addressed to the Assistant Attorney General of the Environmental and Natural Resources Division, Department of Justice, P.O. Box 7611, Washington, DC 20044-7611, and should refer to *United States v. V.T. Fallon dba VTF Properties*, D.J. #90-5-2-1-08752.

The proposed consent decree may be examined at the Department of Housing and Urban Development, Office of General Counsel, 451 7th St. NW., Room 9262, Washington, DC 20410; at the office of the United States Attorney for

the District of Minnesota, 600 U.S. Courthouse, 300 South Fourth Street, Minneapolis, Minnesota, 55415 (Attn. Assistant United States Attorney Gregory G. Brooker); and at U.S. EPA Region 5, 77 W.
