

Final Results of Review:

We determine that revocation of the antidumping duty order on cement and cement clinker from Japan would be likely to lead to continuation or recurrence of dumping at the following weighted-average percentage margins:

Manufacturers/Exporters/Producers	Weighted-Average Margin (percent)
Onoda Cement Company, Ltd.	70.52
Nihon Cement Company, Ltd.	69.89
All Other Manufacturers/Producers/Exporters	70.23

This notice also serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective orders is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these results and notice in accordance with sections 751(c), 752, and 777(i)(1) of the Act.

Dated: January 30, 2006.

David M. Spooner,
Assistant Secretary for Import Administration.

Continuation of Antidumping Duty Order: Paper Clips from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce ("Department") and the International Trade Commission ("Commission") that revocation of this antidumping duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department hereby orders the continuation of the antidumping duty order on paper clips from the People's

Republic of China ("China"). The Department is publishing notice of the continuation of this antidumping duty order.

EFFECTIVE DATE: February 7, 2006.

FOR FURTHER INFORMATION CONTACT: Hilary E. Sadler, Esq. or Jim Nunno, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230; telephone: (202) 482-4340 or (202) 482-0783, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On July 1, 2005, the Department initiated and the Commission instituted a sunset review of the antidumping duty order on paper clips from China pursuant to section 751(c) of the Act. *See Initiation of Five-year ("Sunset") Reviews*, 70 FR 38101 (July 1, 2005). As a result of its review, the Department found that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping and notified the Commission of the magnitude of the margins likely to prevail were the order to be revoked. *See Paper Clips from the People's Republic of China; Notice of Final Results of Expedited Sunset Review of Antidumping Duty Order*, 70 FR 67433 (November 7, 2005).

On January 17, 2006, the Commission determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on paper clips from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. *See Paper Clips from China*, 71 FR 3541 (January 23, 2006), USITC Publication 3834 (January 2006) (Investigation No. 731-TA-663 (Second Review)).

Scope of the Order

The products covered by this order are certain paper clips, wholly of wire of base metal, whether or not galvanized, whether or not plated with nickel or other base metal (e.g., copper), with a wire diameter between 0.025 inches and 0.075 inches (0.64 to 1.91 millimeters), regardless of physical configuration, except as specifically excluded. The products subject to this order may have a rectangular or ring-like shape and include, but are not limited to, clips commercially referred to as No. 1 clips, No. 3 clips, Jumbo or Giant clips, Gem clips, Frictioned clips, Perfect Gems, Marcel Gems, Universal clips, Nifty clips, Peerless clips, Ring

clips, and Glide-On clips. The products subject to this order are currently classifiable under subheading 8305.90.3010 of the Harmonized Tariff Schedule of the United States ("HTSUS").

Specifically excluded from the scope of this order are plastic and vinyl covered paper clips, butterfly clips, binder clips, or other paper fasteners that are not made wholly of wire of base metal and are covered under a separate subheading of the HTSUS.

Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Determination

As a result of the determinations by the Department and the Commission that revocation of this antidumping duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to sections 751(d)(2)(A) and (B) of the Act, the Department hereby orders the continuation of the antidumping duty order on paper clips from China.

U.S. Customs and Border Protection will continue to collect antidumping duty deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of the continuation of this order is the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of this antidumping order not later than January 2011.

This sunset review and this continuation notice are in accordance with section 751(c) of the Act and published pursuant to 777(i)(1) of the Act.

Dated: January 30, 2006.

David Spooner,
Assistant Secretary for Import Administration.
