[Docket No. 05-030-2]

Imported Fire Ant; Additions to Quarantined Areas in Arkansas and Tennessee

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Affirmation of interim rule as final rule.

SUMMARY: We are adopting as a final rule, without change, an interim rule that amended the imported fire ant regulations by designating as quarantined areas all of 1 county in Arkansas and all or portions of 18 counties in Tennessee. As a result of the interim rule, the interstate movement of regulated articles from those areas is restricted. The interim rule was necessary to prevent the artificial spread of imported fire ant to noninfested areas of the United States.

DATES: The interim rule became effective on August 8, 2005.

FOR FURTHER INFORMATION CONTACT: Mr. Charles L. Brown, Imported Fire Ant Quarantine Program Manager, Pest Detection and Management Programs, PPQ, APHIS, 4700 River Road Unit 134, Riverdale, MD 20737-1236; (301) 734-4838.

Airworthiness Directives; Boeing Model 737-100, -200, -200C, -300, -400, and -500 Series Airplanes

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Final rule.

SUMMARY: The FAA is adopting a new airworthiness directive (AD) for all Boeing Model 737-100, -200, -200C, -300, -400, and -500 series airplanes. This AD requires an inspection for chafing of certain wire bundles located above the center fuel tank, corrective actions if necessary, and replacement of wire bundle clamps with new clamps. This AD also requires an inspection for damage to the fuel vapor barrier area located below the wire bundles, and corrective action if necessary. This AD results from fuel system reviews conducted by the manufacturer. We are issuing this AD to prevent chafed wire bundles near the center fuel tank, which could cause electrical arcing through the tank wall and ignition of fuel vapor in the fuel tank, and result in a fuel tank explosion.

DATES: This AD becomes effective March 16, 2006.

The Director of the Federal Register approved the incorporation by reference of a certain publication listed in the AD as of March 16, 2006.
