BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 15Aj-1; SEC File No. 270-25; OMB Control No. 3235-0044.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for extension of the previously approved collections of information discussed below.

Rule 15Aj-1 implements the requirements of Sections 15A, 17, and 19 of the Securities Exchange Act of 1934 by requiring every association registered as, or applying for registration as, a national securities association or an affiliated securities association to keep its registration statement up-to-date by making periodic filings with the Commission on Form X-15AJ-1 and Form X-15AJ-2.

Rule 15Aj-1 requires a securities association to promptly notify the Commission after the discovery of any inaccuracy in its registration statement or in any amendment or supplement thereto by filing an amendment to its registration statement on Form X-15AJ-1 correcting such inaccuracy. The Rule also requires an association to promptly notify the Commission of any change which renders no longer accurate any information contained or incorporated in its registration statement or in any amendment or supplement thereto by filing a current supplement on Form X-15AJ-1. Rule 15A-1 further requires an association to file each year with the Commission an annual consolidated supplement on Form X-15AJ-2.

The information required by Rule 15Aj-1 and Forms X-15AJ-1 and X-15AJ-2 is intended to enable the Commission to carry out its statutorily mandated oversight functions and to assure that registered securities associations are in compliance with the Act. This information is also made available to members of the public. Without the requirements imposed by the Rule, the Commission would be unable to fulfill its regulatory responsibilities.

There is presently only one registered securities association, which registered in 1939, subject to the Rule. The burdens associated with Rule 15Aj-1 requirements have been borne by only one securities association since Rule 15Aj-1 was adopted. Furthermore, the burdens associated with Rule 15Aj-1 vary depending on whether amendments and current supplements are filed on Form X-15AJ-1 in addition to an annual consolidated supplement filed on Form X-15AJ-2. The Commission staff estimates the burden hours necessary to comply with the Rule by filing an amendment or a current supplement on Form X-15AJ-1 to be approximately one-half hour, with a related cost of \$11, per response. The Commission staff estimates the burden hours necessary to comply with the Rule by filing an annual consolidated supplement on Form X-15AJ-2 to be approximately three hours, with a related cost of \$90. Therefore, the Commission staff estimates that the total annual related reporting cost associated with the Rule to be upwards of \$90, assuming a minimum filing of an annual consolidated statement on Form X-15AJ-2, with additional filings on Form X-15AJ-1 correspondingly increasing such reporting cost.

Compliance with Rule 15Aj-1 is mandatory. Information received in response to Rule 15Aj-1 shall not be kept confidential; the information collected is public information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments regarding the above information should be directed to (i) the Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to:

David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, 100 F Street, NE.,

Washington, DC 20549. Comments must be submitted to the Office of Management and Budget within 30 days of this notice.

Dated: February 7, 2006.

J. Lynn Taylor,

Assistant Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 31a-1; SEC File No. 270-173; OMB Control No. 3235-0178.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 [44 U.S.C. 3501-3520], the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 31a-1 [17 CFR 270.31a-1] under the Investment Company Act of 1940 (the "Act") is entitled "Records to be maintained by registered investment companies, certain majority-owned subsidiaries thereof, and other persons having transactions with registered investment companies." Rule 31a-1 requires registered investment companies ("funds"), and every underwriter, broker, dealer, or investment adviser that is a majority-owned subsidiary of a fund, to maintain and keep current accounts, books, and other documents which constitute the record forming the basis for financial statements required to be filed pursuant to section 31 of the Act [15 U.S.C. 80a-30] and of the auditor's certificates relating thereto. The rule lists specific records to be maintained by funds. The rule also requires certain underwriters, brokers, dealers, depositors, and investment advisers to maintain the records that they are required to maintain under federal securities laws. The Commission periodically inspects the operations of funds to insure their compliance with the provisions of the Act and the rules thereunder. The books and records required to be maintained by rule 31a-1 constitute a major focus of the Commission's inspection program.
