SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 11a1-1(T); OMB Control No. 3235-0478; SEC File No. 270-428.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for extension of the previously approved collection of information discussed below.

Rule 11a1-1(T)—Transactions Yielding Priority, Parity, and Precedence

On January 27, 1976, the Commission adopted Rule 11a1-1(T) under the Securities Exchange Act of 1934 ("Exchange Act") to certain exempt transactions of exchange members for their own accounts that would otherwise be prohibited under Section 11(a) of the Exchange Act. The rule provides that a member's proprietary order may be executed on the exchange of which the trader is a member, if, among other things: (1) The member

discloses that a bid or offer for its account is for its account to any member with whom such bid or offer is placed or to whom it is communicated; (2) any such member through whom that bid or offer is communicated discloses to others participating in effecting the order that it is for account of a member; and (3) immediately before executing the order, a member (other than a specialist in such security) presenting any order for the account of a member on the exchange clearly announces or otherwise indicates to the specialist and to other members then present that he is presenting an order for the account of a member.

Without these requirements, it would not be possible for the Commission to monitor its mandate under the Exchange Act to promote fair and orderly markets and ensure that exchange members have, as the principle purpose of their exchange memberships, the conduct of a public securities business.

There are approximately 1,000 respondents that require an aggregate total of 333 hours to comply with this rule. Each of these approximately 1,000 respondents makes an estimated 20 annual responses, for an aggregate of 20,000 responses per year. Each response takes approximately 1 minute to complete. Thus, the total compliance burden per year is 333 hours (20,000 minutes/60 minutes per hour = 333 hours). The approximate cost per hour is \$100, resulting in a total cost of compliance for the respondents of \$33,333 (333 hours @ \$100).

Compliance with Rule 11a1-1(T) is necessary for exchange members to make transactions for their own accounts under a specific exemption from the general prohibition of such transactions under Section 11(a) of the Exchange Act. Compliance with Rule 11a1-1(T) does not involve the collection of confidential information. Rule 11a1-1(T) does not have a record retention requirement per se. However, responses made pursuant to Rule 11a1-1(T) are subject to the recordkeeping requirements of Rules 17a-3 and 17a-4. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Building, Washington DC 20503 or by sending an e-mail to David_Rostker@omb.eop.gov; and (ii) R.
