[I.D. 021306D]

Fisheries Off West Coast States and in the Western Pacific; Western Pacific Crustacean Fisheries; 2006 Harvest Guideline

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notification of harvest guideline for crustaceans.

SUMMARY: NMFS announces that the annual harvest guideline for the commercial lobster fishery in the Northwestern Hawaiian Islands (NWHI) for calendar year 2006 is established at zero lobsters.

FOR FURTHER INFORMATION CONTACT: Robert Harman, NMFS Pacific Islands Regional Office, at (808) 944-2207.

SUPPLEMENTARY INFORMATION: Under the regulations implementing the Fishery Management Plan for Crustacean Fisheries of the Western Pacific Region (Crustaceans FMP) at 50 CFR 660.50(b)(2), every year NMFS is required to publish a harvest guideline for lobster Permit Area 1, which encompasses the Exclusive Economic Zone around the NWHI.

The fishery has been closed since 2000 for several reasons, including: (a) as a precautionary measure to prevent overfishing of the lobster resources while NMFS conducts biological research and assessment on the lobster stocks; (b) to comply with an order of the U.S. District Court for the District of Hawaii to keep the NWHI commercial lobster fishery closed until an environmental impact statement and a biological opinion have been prepared for the Crustaceans FMP; and (c) to be consistent with the NWHI Coral Reef Ecosystem Reserve, and the current process of designating certain waters of the NWHI as a national marine sanctuary.

NMFS announces the harvest guideline for the NWHI commercial lobster fishery for calendar year 2006 is established as zero lobsters, and no harvest of NWHI lobster resources is allowed. NMFS intends to continue to study and assess the status of the lobster populations in the NWHI and examine the resulting information to determine the appropriate direction for future fishery management actions.

Dated: February 14, 2006.

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

The purpose of this Commission is to consider how best to improve our system of higher education to ensure that our graduates are well prepared to meet our future workforce needs and are able to participate fully in the changing economy. The Commission shall consider Federal, State, local and institutional roles in higher education and analyze whether the current goals of higher education are appropriate and achievable. The Commission will also focus on the increasing tuition costs and the perception of many families, particularly low-income families, that higher education is inaccessible.

The agenda for this public hearing will begin with presentations from panels of invited speakers addressing the four areas of focus for the Commission: access, accountability, affordability, and quality. After the presentations by invited speakers, there will be time reserved for comments from the public.

If you are interested in participating in the public comment period to present comments to the Commission, you are requested to reserve time on the agenda of the meeting by e-mail or phone. Please include your name, the organization you represent if appropriate, and a brief description of the issue you would like to present.

At the meeting, participants are also encouraged to submit four written copies of their comments. Persons interested in making comments are encouraged to address the following issues and questions:

- (1) How accessible is higher education today? Is this changing?
- (2) Do students have access to the institutions best suited to their needs and abilities?

- (4) What is the true price of a college education?
- (5) What is the quality of higher education in America?

(6) How well are universities meeting specific national needs?

Given the expected number of individuals interested in providing comments at the meeting, reservations for presenting comments should be made as soon as possible. Persons who are unable to obtain reservations to speak during the meeting are encouraged to submit written comments. Written comments will be accepted at the meeting site or may be mailed to the Commission at the address listed above.
