#### Trade Adjustment Assistance for Farmers

**AGENCY:** Foreign Agricultural Service, USDA.

**ACTION:** Notice.

The Administrator, Foreign Agricultural Service (FAS), today accepted a petition filed by the National Grape Cooperative Association representing Washington Concord juice grape producers for trade adjustment assistance. The Administrator will determine within 40 days whether or not increasing grape juice, not from concentrate, imports contributed importantly to a decline in domestic producer prices of 20 percent or more during the marketing period beginning August 1, 2004, and ending July 31, 2005. If the determination is positive, all producers who produce and market their Concord juice grapes in Washington will be eligible to apply to the Farm Service Agency for no cost technical assistance and for adjustment assistance payments.

#### Middle Kyle Complex Environmental Impact Statement. Humboldt-Toiyabe National Forest, Spring Mountains National Recreation Area, Clark County, NV

**AGENCY:** Forest Service, USDA.

**ACTION:** Notice of intent to prepare an Environmental Impact Statement.

**SUMMARY:** The USDA Forest Service (Forest Service) will prepare an environmental impact statement (EIS) to analyze and disclose the potential environmental consequences for a proposed recreation complex development. The proposed Middle Kyle Complex is located on the Spring Mountains National Recreation Area (NRA) of the Humboldt-Toiyabe National Forest, approximately 35 miles northwest of Las Vegas, Nevada. The

Forest Service is considering the construction and operation of new recreational opportunities and facilities within the middle Kyle Canyon area in order to reduce the recreational pressure on sensitive species and their habitats within the upper Kyle and Lee Canyons. The project may include such facilities as a visitor center, commercial retail shops, amphitheater, picnic areas, campsites, administrative facilities, hiking/biking trails, equestrian trails, and off-highway vehicle (OHV) trails. Construction would begin approximately one year following the signing of the Record of Decision.

**DATES:** Comments concerning the scope of the analysis must be received in writing on or before April 3, 2006. The Draft Environmental Impact Statement (DEIS) is expected in March 2007 and the Final Environmental Impact Statement (FEIS) is expected in October 2007. A public open house is proposed in March 2007, during the DEIS formal comment period and shortly following release of the DEIS.

**ADDRESSES:** Send written comments to Hal Peterson, Middle Kyle Complex Project Manager, Spring Mountains NRA, 4701 N. Torrey Pines Drive, Las Vegas, Nevada 89130. Email communications are encouraged, please include your name and return address in all written or electronic correspondence. #### SUPPLEMENTARY INFORMATION:

*Purpose and Need for Action:* The Forest Service has determined a need for the development of new destination recreation, environmental education, visitor services, parking/transportation management and administrative facilities in the middle Kyle Canyon area of the Spring Mountains NRA. This need is in response to the increasing NRA visitation generated by the growth of the Las Vegas Metropolitan area, and the associated impacts on the environmentally sensitive areas in upper Kyle and Lee Canyons where the
