1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 75.210 of EDGAR and are listed in the application package.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

3. *Reporting:* At the end of your project period, you must submit a final performance report. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* The Secretary has established the following

performance measures for assessing the effectiveness of the Elementary and Secondary School Counseling Program: (1) The percentage of grantees closing the gap between their student/mental health professional ratios and the student/mental health professional ratios recommended by the statute; and (2) the median percentage decrease among grantees in the number of student disciplinary referrals in the schools participating in the program. These two measures constitute the Department's indicators of success for this program. Consequently, applicants for a grant under this program are advised to give careful consideration to these two outcomes in conceptualizing the design, implementation, and evaluation of their proposed project. If funded, applicants will be asked to collect and report data in their annual performance reports about progress toward these goals.
