

The Board will also meet to develop the final revisions to the proposed Mandatory Guidelines for Federal Workplace Drug Testing Programs that were published in the **Federal Register** on April 13, 2004 (69 FR 19673) and to discuss Federal agency specimen results, confirmatory drug test issues, specimen validity test issues, laboratory inspection issues, and analytical instrumentation issues. This meeting will be conducted in closed session since discussing these issues in open session will significantly frustrate the Department's ability to develop the revisions to the Mandatory Guidelines or to disclose information of a personal nature where disclosure would constitute an unwarranted invasion of personal privacy. The HHS Office of General Counsel made the determination that such matters are protected by exemptions (6) and 9(B) of section 552b(c) of title 5 U.S.C. and therefore may be closed to the public.

To facilitate entering the building for the open session, public attendees are required to contact Mrs. Giselle Hersh, Division of Workplace Programs, 1 Choke Cherry Road, Room 2-1042, Rockville, MD 20857, 240-276-2605 (telephone) or by e-mail to Giselle.Hersh@samhsa.hhs.gov.

Substantive program information and a roster of Board members may be obtained by accessing the SAMHSA workplace Web site (<http://workplace.samhsa.gov>) or communicating with the contact whose name and telephone number are listed below. The transcript for the open session will be available on the SAMHSA workplace Web site as soon as possible after the meeting.
