SUPPLEMENTARY INFORMATION:

I. Abstract

The U.S. Department of Commerce invites the general public and other Federal agencies to comment on the proposed extension of the use of the advocacy questionnaire by the Trade Promotion Coordination Committee's (TPCC) Advocacy Network. The questionnaire is used to evaluate requests for United States Government (USG) advocacy in connection with overseas commercial bids, offers, and proposals. The International Trade Administration's Advocacy Center marshals federal resources to assist U.S. commercial interests competing for foreign government commercial projects, procurements, investments, and business ventures worldwide. The mission of the Advocacy Center is to coordinate USG commercial advocacy in order to promote U.S. exports, trade which both creates and sustains U.S. employment. The Advocacy Center works with and coordinates activities within TPCC, which is chaired by the Secretary of Commerce and includes 19 federal agencies involved in export promotion. The purpose of the advocacy questionnaire is to collect the information necessary to evaluate a commercial interest's (e.g., a company's) eligibility for USG advocacy assistance. There are clear, well-established USG advocacy guidelines that describe the various situations in which the USG can provide advocacy support for a specific commercial interest. The questionnaire was developed to collect only the information necessary to determine if a commercial interest meets the eligibility requirements set forth in the advocacy guidelines. The Advocacy Center, appropriate ITA officials, U.S. Embassy/Consulate officials worldwide, and other federal government agencies (the Advocacy Network) that provide advocacy support, will require firms seeking USG advocacy support to complete the questionnaire. Without the information, the USG would be unable to determine the eligibility of commercial interests seeking USG advocacy support.

II. Method of Collection

When U.S. commercial interests request USG advocacy assistance, they are either sent Form ITA-4133P or referred to the Advocacy Center's web site from which Form ITA-4133P may be downloaded completed, signed, and filed.

Proposed Information Collection; Comment Request; Generic Clearance for Program Evaluation Data Collections

ACTION: Notice.

SUMMARY: The Department of Commerce (DOC), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to comment on the continuing and proposed information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104–13 (44 U.S.C. 3506(c)(2)(A)).

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

DATES: Written comments must be submitted on or before May 1, 2006.

ADDRESSES: Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).
