

States intends to begin negotiations with Korea in May 2006.

2. Employment Impact Review

Section 2102(c)(5) of the Trade Act (19 U.S.C. 3802(c)(5)) directs the President to "review the impact of future trade agreements on United States employment, including labor markets, modeled after Executive Order 13141 to the extent appropriate in establishing procedures and criteria, report to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate on such review, and make that report available to the public." USTR and Labor will conduct the employment reviews through the TPSC.

The employment impact review will be based on the following elements, which are modeled to the extent appropriate after those in EO 13141. The review will be: (1) Written; (2) initiated through a notice in the **Federal Register** soliciting public comment and information on the employment impact of the FTA in the United States; (3) made available to the public in draft form for public comment, to the extent practicable; and (4) made available to the public in final form.

Comments may be submitted on potentially significant sectoral or regional employment impacts (both positive and negative) in the United States as well as other likely labor market impacts of the FTA. Persons submitting comments should provide as much detail as possible in support of their submissions.

3. Requirements for Submissions

In order to ensure prompt and full consideration of responses, the TPSC strongly urges and prefers electronic (e-mail) submissions in response to this notice. In the event that an e-mail submission is impossible, submissions should be made by facsimile.

Persons making submissions by e-mail should use the following subject line: "Employment Impact Review for a Free Trade Agreement between the United States and Korea." Documents should be submitted as WordPerfect, MSWord, or text (.TXT) files. Spreadsheets submitted as supporting documentation are acceptable as Quattro Pro or Excel files. The "P-" or "BC-" should be followed by the name of the submitter. Persons who

make submissions by e-mail should not provide separate cover letters; information that might appear in a cover letter should be included in the submission itself. To the extent possible, any attachments to the submission should be included in the same file as the submission itself, and not as separate files.

Written comments will be placed in a file open to public inspection pursuant to 15 CFR 2003.5, except confidential business information exempt from public inspection in accordance with 15 CFR 2003.6. Confidential business information submitted in accordance with 15 CFR 2003.6 must be clearly marked "BUSINESS CONFIDENTIAL" at the top of each page, including any cover letter or cover page, and must be accompanied by a non-confidential summary of the confidential information. OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Trade Policy Staff Committee; Initiation of Environmental Review of Proposed Free Trade Agreement Between the United States and Korea; Public Comments on Scope of Environmental Review

AGENCY: Office of the United States Trade Representative.

ACTION: Notice and request for comments.

SUMMARY: This publication gives notice that, pursuant to the Trade Act of 2002, and consistent with Executive Order 13141 (64 FR 63169) (Nov. 18, 1999) and its implementing guidelines (65 FR 79442), the Office of the United States Trade Representative (USTR), through the Trade Policy Staff Committee (TPSC), is initiating an environmental review of the proposed free trade agreement (FTA) between the United States and Korea. The TPSC is requesting written comments from the

public on what should be included in the scope of the environmental review, including the potential environmental effects that might flow from the free trade agreement and the potential implications for U.S. environmental laws and regulations, and identification of complementarities between trade and environmental objectives such as the promotion of sustainable development. The TPSC also welcomes public views on appropriate methodologies and sources of data for conducting the review. Persons submitting written comments should provide as much detail as possible on the degree to which the subject matter they propose for inclusion in the review may raise significant environmental issues in the context of the negotiation.

DATES: Public comments should be received no later than March 31, 2006.

ADDRESSES: *Submissions by electronic mail:* FR0610@ustr.eop.gov.

Submissions by facsimile: Gloria Blue, Executive Secretary, Trade Policy Staff Committee, at (202) 395-6143.

FOR FURTHER INFORMATION CONTACT: For procedural questions concerning public comments, contact Gloria Blue, Executive Secretary, TPSC, Office of the USTR, 1724 F Street, NW., Washington, DC 20508, telephone (202) 395-3475. Questions concerning the environmental review should be addressed to Russell Smith or David J. Brooks, Environment and Natural Resources Section, USTR, telephone (202) 395-7320.

SUPPLEMENTARY INFORMATION:

1. Background Information

On February 2, 2006, in accordance with section 2104(a)(1) of the Trade Act of 2002, the United States Trade Representative, Ambassador Robert Portman, notified Congress of the President's intent to enter into trade negotiations with the Republic of Korea. Ambassador Portman outlined specific U.S. objectives for these negotiations in the notification letters to Congress. Copies of the letters are available at: http://www.ustr.gov/Trade_Agreements/Bilateral/Republic_of_Korea_FTA/Section_Index.html.

The TPSC also has invited the public to provide written comments and/or oral testimony at a public hearing that will take place on March 14, 2006, to assist USTR in amplifying and clarifying negotiating objectives for the proposed FTA and to provide advice on how specific goods and services and other matters should be treated under the proposed agreement (see 71 FR 6820).

Korea is the world's tenth largest economy and our seventh largest goods

trading partner. Two-way goods trade between the United States and Korea has grown significantly in the past decade, and totaled more than \$72 billion in 2005. The increased access to Korea's market that an FTA would provide would further boost trade in both goods and services, enhancing employment opportunities in both countries. An FTA also would encourage additional foreign investment between the United States and Korea. A free trade agreement with Korea would serve to strengthen our strategic alliance with Korea and would underscore U.S. commitment to promote strong economic relations with East Asia.

2. Environmental Review

USTR, through the TPSC, will perform an environmental review of the agreement pursuant to the Trade Act of 2002 and consistent with Executive Order 13141 (64 FR 63169) and its implementing guidelines (65 FR 79442).

Environmental reviews are used to identify potentially significant, reasonably foreseeable environmental impacts (both positive and negative), and information from the review can help facilitate consideration of appropriate responses where impacts are identified. Reviews address potential environmental impacts of the proposed agreement and potential implications for environmental laws and regulations. The focus of the review is on impacts in the United States, although global and transboundary impacts may be considered, where appropriate and prudent.

3. Requirements for Submissions

In order to facilitate prompt processing of submissions, USTR strongly urges and prefers electronic (e-mail) submissions in response to this notice.

Persons making submissions by e-mail should use the following subject line: "FTA between the United States and Korea Environmental Review" followed by "Written Comments." Documents should be submitted as a WordPerfect, MSWord, or text (.TXT) file. Supporting documentation submitted as spreadsheets are acceptable as Quattro Pro or Excel. For any document containing business confidential information submitted electronically, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P-" or "BC-" should be followed by the name of the submitter. Persons who make submissions by e-mail should not provide separate cover letters;

information that might appear in a cover letter should be included in the submission itself. To the extent possible, any attachments to the submission should be included in the same file as the submission itself, and not as separate files.

Written comments submitted in response to this request will be placed in a file open to public inspection pursuant to 15 CFR 2003.5, except business confidential information exempt from public inspection in accordance with 15 CFR 2003.6. Business confidential information submitted in accordance with 15 CFR 2003.6 must be clearly marked "BUSINESS CONFIDENTIAL" at the top of each page, including any cover letter or cover page, and must be accompanied by a nonconfidential summary of the confidential information. All public documents and nonconfidential summaries shall be available for public inspection in the USTR Reading Room. The USTR Reading Room is open to the public, by appointment only, from 10 a.m. to 12 noon and 1 p.m. to 4 p.m., Monday through Friday. An appointment to review the file must be scheduled at least 48 hours in advance and may be made by calling (202) 395-6186.

USTR also welcomes and will take into account the public comments on environmental issues submitted in response to a previous notice—the **Federal Register** notice dated February 9, 2006 (71 FR 6820)—requesting comments from the public to assist USTR in formulating positions and proposals with respect to all aspects of the negotiation of an FTA between the United States and Korea, including environmental issues. These comments will also be made available for public inspection.
