

for an orderly and compensated allocation shift from the longline sector to the charter sector, including the use of a charter stamp, which would generate funds to pay for management of the charter fishery and to buy longline shares to be converted into the charter allocation;

i. Exploration of delegation of some management aspects of the halibut sport fishery, including the charter sector, to the State of Alaska.

A second alternative would be a modified Individual Fishing Quota (IFQ) program, including, but not be limited to:

1. The elements of the previously proposed (2001) charter Individual Fishing Quota (IFQ) program;

2. A modified IFQ program, including, but not be limited to, addressing potential legal vulnerabilities that may exist in the 2001 IFQ program. Such approaches might include a "leveling" plan, other effort based mechanisms to update 1998 and 1999 history, new history approaches, an effort based transferable seat program, or other options;

3. Subdivision of Area 2C and 3A into smaller geographic sub-districts, including time certain establishment of LAMPs;

4. The use of a moratorium or control date of December 9, 2006; and

5. Other elements to be identified by the committee.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
