### 5 CFR Part 890

#### Federal Employees Health Benefits Program: Discontinuance of Health Plan in an Emergency

**AGENCY:** Office of Personnel Management.

**ACTION:** Proposed rule with request for comments.

**SUMMARY:** The Office of Personnel Management (OPM) is issuing a proposed rule to amend the Federal Employees Health Benefits (FEHB) regulations regarding discontinuance of a health plan to include situations in which a health plan becomes incapacitated, either temporarily or permanently, as the result of a disaster.

**DATES:** OPM must receive comments on or before May 8, 2006.

**ADDRESSES:** Send written comments to Anne Easton, Manager Insurance Group, Center for Employee and Family Support Policy, Strategic Human Resources Policy Division, Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415; or deliver to OPM Room 3425, 1900 E Street, NW., Washington, DC; or FAX to (202) 606-0633.

**FOR FURTHER INFORMATION CONTACT:** Karen Leibach; first dial (1-888) 801-7210; at the prompt, enter (202) 606-1461.

**SUPPLEMENTARY INFORMATION:** OPM currently has regulations dealing with the discontinuance of a health plan in whole or part. The regulations apply when a plan goes out of business or withdraws from the FEHB Program. Enrollees in such plans are notified that they need to change plans. The regulations also allow the automatic

transfer of the enrollment of annuitants who do not change plans.

In light of the devastation wrought by Hurricane Katrina, OPM is expanding the definition of a health plan to include situations in which a plan becomes incapable of providing services, either on a permanent or temporary basis, because of a disaster. In such a situation enrollees will be allowed to change health plans. However, depending on the nature of the disaster, it may not be possible to locate enrollees to notify them of the need to change health plans. To ensure there is no loss of coverage, any enrollee who is not able to make a change in these circumstances will be transferred automatically to the standard option of the nationwide Blue Cross and Blue Shield Service Benefit Plan.

Invoking the provisions of these regulations will be at OPM's discretion. OPM will provide whatever notification is feasible, if a disaster necessitates enrollment changes under these provisions.

It should be noted that, although one of the regulatory sections being amended, § 890.301, refers to employees who do not participate in premium conversion, under the premium conversion regulations at § 892.207 these provisions would also apply to employees who do participate in premium conversion.

#### Regulatory Flexibility Act

I certify that this regulation will not have a significant economic impact on a substantial number of small entities because the regulation only affects health benefits of Federal employees and retirees.

#### Executive Order 12866, Regulatory Review

This rule has been reviewed by the Office of Management and Budget in accordance with Executive Order 12866.

#### Lists of Subjects in 5 CFR Part 890

#### Karnal Bunt; Addition and Removal of Regulated Areas in Arizona

**AGENCY:** Animal and Plant Health Inspection Service, USDA.

**ACTION:** Affirmation of interim rule as final rule.

**SUMMARY:** We are adopting as a final rule, without change, an interim rule that amended the Karnal bunt regulations by adding certain areas in Maricopa and Pinal Counties, AZ, to the list of regulated areas and by removing certain areas or fields in Maricopa County, AZ, from the list of regulated areas. Those actions were necessary to prevent the spread of Karnal bunt into noninfected areas of the United States and to relieve restrictions on certain areas that were no longer necessary.

**DATES:** Effective on March 7, 2006, we are adopting as a final rule the interim rule that became effective on December 7, 2005.

**FOR FURTHER INFORMATION CONTACT:** Dr. Vedpal Malik, Karnal Bunt Program Manager, Pest Detection and Management Programs, PPQ, APHIS, 4700 River Road Unit 134, Riverdale, MD 20737–1236; (301) 734–3769.

#### SUPPLEMENTARY INFORMATION:

##### Background

In an interim rule effective December 7, 2005, and published in the **Federal Register** on December 13, 2005 (70 FR 73553–73556, Docket No. 05–078–1), we amended the regulations in “Subpart—Karnal Bunt” (7 CFR 301.89–1 through 301.89–16) by adding certain areas in Maricopa and Pinal Counties, AZ, to the list of regulated areas in § 301.89–3(g), either because they were found during surveys to contain a bunted wheat kernel, or because they are within the 3-mile-wide buffer zone around fields or areas affected with Karnal bunt. In the same interim rule, we also amended the regulations by removing certain areas or fields in Maricopa County, AZ, from the list of regulated areas based on our determination that those fields or areas had met our criteria for release from regulation.

We solicited comments concerning the interim rule for 60 days ending February 13, 2006. We did not receive any comments. Therefore, for the reasons given in the interim rule, we are adopting the interim rule as a final rule.

This final rule also affirms the information contained in the interim rule concerning Executive Order 12866 and the Regulatory Flexibility Act, Executive Orders 12372 and 12988, and the Paperwork Reduction Act.

Further, for this action, the Office of Management and Budget has waived its review under Executive Order 12866.

#### Importation of Peppers From Certain Central American Countries

**AGENCY:** Animal and Plant Health Inspection Service, USDA.

**ACTION:** Final rule.

**SUMMARY:** We are amending the regulations governing the importation of fruits and vegetables in order to allow certain types of peppers grown in approved registered production sites in Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua to be imported, under certain conditions, into the United States without treatment. The conditions to which the importation of peppers will be subject, including trapping, pre-harvest inspection, and shipping procedures, are designed to prevent the introduction of quarantine pests into the United States. This action will allow for the importation of peppers from those countries in Central America while continuing to provide protection against the introduction of quarantine pests into the United States.
