

Daytime Scoping Meeting

Date and Time: Thursday, March 23, 2006, 9 a.m. (EST).

Location: Indiana Holiday Inn, 1395 Wayne Avenue, Indiana, PA 15701.

For Directions: Please call Clifford Phillips at (330) 869-8451.

Scoping Document 1 (SD1), which outlines the subject areas to be addressed in the environmental document, has been mailed to the individuals and entities on the Commission's mailing list. Copies of SD1 will be available at the scoping meetings, or may be viewed on the Web at <http://www.ferc.gov>, using the "eLibrary" link. Follow the directions for accessing information in paragraph n. Depending on the extent of comments received, a Scoping Document 2 (SD2) may or may not be issued.

Site Visit

MCHC will conduct a tour of the proposed project on Wednesday, March 22, 2006, starting at 2 p.m. All participants interested in attending should meet at the parking lot adjacent to the Mahoning Creek dam. Anyone in need of directions should contact Mr. Clifford Phillips of MCHC at (330) 869-8451, or via cliffphillips@advancedhydrosolutions.com.

Scoping Meeting Objectives

At the scoping meetings, staff will: (1) Present a proposed list of issues to be addressed in the EA; (2) review and discuss existing conditions and resource agency management objectives; (3) review and discuss existing information and identify preliminary information and study needs; (4) review and discuss the process plan and schedule for pre-filing activity that incorporates the time frames provided for in Part 5 of the Commission's regulations and, to the extent possible, maximize coordination of Federal, State, and tribal permitting and certification processes; and (5) discuss requests by any Federal or State agency or Indian tribe acting as a cooperating agency for development of an environmental document.

Meeting participants should come prepared to discuss their issues and/or concerns. Please review the Pre-Application Document in preparation for the scoping meetings. Directions on how to obtain a copy of the PAD and SD1 are included in item n. of this document.

Scoping Meeting Procedures

The scoping meetings will be recorded by a stenographer and will

become part of the formal Commission record on the project.

Washington Gas Light Company; Notice of Compliance Filing

March 2, 2006.

Take notice that on December 9, 2005, Washington Gas Light Company (Washington Gas) made a filing to comply with FERC Order 103 FERC ¶ 61,107 (May 1, 2003 Order) and the July 21, 2003 FERC Order approving Washington Gas' revised Firm Interstate Transportation Service Operating Statement, regarding the rates charged by Washington Gas for firm interstate transportation service from its facilities in Virginia to customer facilities located in West Virginia.

Any person desiring to participate in this rate proceeding must file a motion to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for

review in the Commission's Public Reference Room in Washington, DC.
