Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Agricultural Marketing Service

Title: Fruit and Vegetable Market News Reports.

OMB Control Number: 0581-0006.

Summary of Collection: Section 203(g) of the Agricultural Marketing Act of 1946 (7 U.S.C. 1621) directs and authorizes the collection of information and disseminating of marketing information including adequate outlook information on a market-area basis for the purpose of anticipating and meeting consumer requirements, aiding in the maintenance of farm income and bring about balance between production and utilization of agriculture products. Market News provides all interested segments of the market chain with market information tends to equalize the competitive position of all market participants. The fruit and vegetable industries, through their organizations, or government agencies present formal requests that the Department of Agriculture issue daily, weekly, semi-monthly, or monthly market news reports on various aspects of the industry.

Need and Use of the Information: AMS will collect information for the production of Market News reports that are then available to the industry and other interested parties in various formats. Information is provided on a voluntary basis and is gathered through confidential telephone and face-to-face interviews by market reporters.

Description of Respondents: Farms; Business or other for-profit.
