previously submitted application and does not have to submit a new application to the Department to receive its FY 2006 SRSA grant award.

An eligible LEA that is required to submit an application (in other words, an LEA that did not submit an application in a prior year) must do so by the deadline in this notice in order to receive its grant award by September 30, 2006. An eligible LEA that is required to submit an application and does not do so by the deadline in this notice might not receive its grant award until after September 30, 2006.

Application Deadline: June 2, 2006, 4:30 p.m. Eastern time.

SUPPLEMENTARY INFORMATION:

Which LEAs Are Eligible for an Award Under the SRSA Program?

An LEA is eligible for an award under the SRSA program if—

(a) The total number of students in average daily attendance at all of the schools served by the LEA is fewer than 600, or each county in which a school served by the LEA is located has a total population density of fewer than 10 persons per square mile; and

(b) All of the schools served by the LEA are designated with a school locale code of 7 or 8 by the Department's National Center for Education Statistics, or the Secretary has determined, based on a demonstration by the LEA and concurrence of the SEA, that the LEA is located in an area defined as rural by a governmental agency of the State.

Which Eligible LEAs Need Not Submit an Additional Application To Receive a FY 2006 SRSA Grant Award?

Under the regulations in 34 CFR 75.104(a), the Secretary makes grants only to an eligible party that submits an application. Given the limited purpose served by an application under this program, the Secretary considers this requirement to be met if the LEA submitted an SRSA application for a prior year. In this circumstance, unless the LEA advises the Secretary by the application deadline that it is withdrawing its application, the Secretary deems the application that the LEA previously submitted to remain in effect for FY 2006 funding, and the LEA does not have to submit an additional application. All other eligible LEAs must submit a new application to receive a FY 2006 grant award.

We intend to provide, by May 1, 2006, a list of LEAs eligible for FY 2006 funds on the Department's Web site at <http://www.ed.gov/programs/reapsrsa/index.html>. The Web site will also indicate which of these eligible LEAs must submit a new application to the
