

■ 11. In § 95.4, paragraph (a)(3) is revised to read as follows:

§ 95.4 Restrictions on the importation of processed animal protein, offal, tankage, fat, glands, certain tallow other than tallow derivatives, and serum due to bovine spongiform encephalopathy.

(a) * * *

(3) Products containing any of the items prohibited importation under paragraphs (a)(1) and (a)(2) of this section.

* * * * *

Done in Washington, DC, this 8th day of March 2006.

Kevin Shea,

Acting Administrator, Animal and Plant Health Inspection Service.

Food Safety and Inspection Service

9 CFR Part 352

[Docket No. 05-036C; FDMS No. 2005-0040]

RIN 0583-AD21

Ante-Mortem Inspection of Horses; Correction

AGENCY: Food Safety and Inspection Service, USDA.

ACTION: Interim final rule; correction.

SUMMARY: This document corrects the preamble to an interim final rule published in the **Federal Register** on February 8, 2006, amending the Federal meat inspection regulations to provide for a voluntary fee-for-service program under which official establishments that slaughter horses will be able to apply for and pay for ante-mortem inspection. This correction states that the FY 2006 Appropriations Act will be in effect until October 1, 2006 (the first day of FY 2007).

FOR FURTHER INFORMATION CONTACT:

Lynn Ellen Dickey, PhD, Director, Regulations and Petitions Policy Staff, Office of Policy, Program, and Employee Development, Food Safety and Inspection Service, 300 12th Street, SW., Room 112 Cotton Annex Building, Washington, DC 20250-3700, (202) 720-5627.

Correction

In the interim final rule, entitled Ante-Mortem Inspection of Horses (FSIS docket number 05-036IF), beginning on page 6337 in the issue of February 8, 2006, make the following correction, in the **SUPPLEMENTARY INFORMATION** section.

On page 6339 in the 3rd column, revise the first sentence of the second paragraph to read as follows:

“The FY 2006 Appropriations Act will be in effect until October 1, 2006 (the first day of FY 2007).”

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that the public and, in particular, minorities, women, and persons with disabilities are aware of this correction, FSIS will announce it on-line through the FSIS Web page located at http://www.fsis.usda.gov/regulations_&_policies/2006_Interim_&_Final_Rules_Index/index.asp.

FSIS also will make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, recalls, and other types of information that could affect or would be of interest to our constituents and stakeholders. The update is communicated via Listserv, a free e-mail subscription service consisting of industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals who have requested to be included. The update also is available on the FSIS Web page. Through Listserv and the Web page, FSIS is able to provide information to a much broader, more diverse audience.

In addition, FSIS offers an e-mail subscription service which provides an automatic and customized notification when popular pages are updated, including **Federal Register** publications and related documents. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/ and allows FSIS customers to sign up for subscription options across eight categories. Options range from recalls to export information to regulations, directives and notices. Customers can add or delete subscriptions themselves and have the option to password protect their account.

Done at Washington, DC, on March 8, 2006.

Barbara J. Masters,

Administrator.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 39

[Docket No. FAA-2005-22697; Directorate Identifier 2004-SW-46-AD; Amendment 39-14509; AD 2006-06-01]

RIN 2120-AA64

Airworthiness Directives; Eurocopter France Model EC 155B and B1 Helicopters

AGENCY: Federal Aviation Administration, DOT.

ACTION: Final rule.

SUMMARY: This amendment adopts a new airworthiness directive (AD) for the specified Eurocopter France (ECF) model helicopters that requires inspecting an electrical cable bundle for wear. If wear is present, the AD requires installing an airworthy cable bundle and modifying the routing of the electrical cable bundles. This amendment is prompted by reports of a short circuit in the wiring, which led to failure of the normal and emergency landing gear operation modes. The actions specified by this AD are intended to prevent interference of the wiring with the structure resulting in an electrical short circuit, failure of the landing gear to extend, and an emergency landing.

DATES: Effective April 18, 2006.

The incorporation by reference of certain publications listed in the regulations is approved by the Director of the Federal Register as of April 18, 2006.

ADDRESSES: You may get the service information identified in this AD from American Eurocopter Corporation, 2701 Forum Drive, Grand Prairie, Texas 75053-4005, telephone (972) 641-3460, fax (972) 641-3527.

Examining the Docket

You may examine the docket that contains this AD, any comments, and other information on the Internet at <http://dms.dot.gov>, or at the Docket Management System (DMS), U.S. Department of Transportation, 400 Seventh Street, SW., Room PL-401, on the plaza level of the Nassif Building, Washington, DC.

FOR FURTHER INFORMATION CONTACT: Jorge Castillo, Aviation Safety Engineer, FAA, Rotorcraft Directorate, Regulations and Policy Group, Fort Worth, Texas 76193-0111, telephone (817) 222-5127, fax (817) 222-5961.

SUPPLEMENTARY INFORMATION: A proposal to amend 14 CFR part 39 to include an AD for the specified ECF

model helicopters was published in the **Federal Register** on October 17, 2005 (70 FR 199). The action proposed to require inspecting an electrical cable bundle for wear. If wear is present, the AD proposed installing an airworthy cable bundle and modifying the routing of the electrical cable bundles.

A correction to that proposal was published in the **Federal Register** on January 20, 2006 (71 FR 3248). That action corrected the docket number throughout the proposal changing it from FAA-2005-22696 to FAA-2005-22697.

The Direction Generale de l'Aviation Civile (DGAC), the airworthiness authority for France, notified the FAA that an unsafe condition may exist on ECF Model EC 155 helicopters. The DGAC advises of the occurrence of a short circuit that occurred in the wiring of panel 12 Alpha making the landing gear inoperative.

ECF has issued Alert Service Bulletin No. 24A011 (ASB), dated March 11, 2004, subsequently revised on May 14, 2004, which specifies checking the condition of the wiring and modifying its routing to preclude the risk of interference and associated damage. The May 14, 2004, revision to the ASB also specifies preventing any interference of the wiring with the head of the vent line attaching clamp by replacing wiring kit 365A0739C28.71 with wiring kit 365A0739C28.72. The DGAC classified these ASBs as mandatory and issued AD No. F-2004-057 R1 dated July 21, 2004, to ensure the continued airworthiness of these helicopters in France.

These helicopter models are manufactured in France and are type certificated for operation in the United States under the provisions of 14 CFR 21.29 and the applicable bilateral agreement. Pursuant to the applicable bilateral agreement, the DGAC has kept us informed of the situation described above. We have examined the findings of the DGAC, reviewed all available information, and determined that AD action is necessary for products of this type design that are certificated for operation in the United States.

Interested persons have been afforded an opportunity to participate in the making of this amendment. No comments were received on the proposal or the FAA's determination of the cost to the public. The FAA has determined that air safety and the public interest require the adoption of the rule as proposed except for correcting the docket number from FAA-2005-22696 to FAA-2005-22697. Also, we have expanded the contact address in paragraph (b) in the body of the AD to provide more information to

the public. These changes will neither increase the economic burden on any operator nor increase the scope of this AD.

We estimate that this AD will affect 7 helicopters of U.S. registry. It will take about 16 work hours to inspect and modify the wiring per helicopter at an average labor rate of \$65 per work hour. Required parts and material will cost about \$240. Based on these figures, we estimate the total cost impact of the AD on U.S. operators to be \$8,960, assuming that all of the helicopters are modified.

Regulatory Findings

We have determined that this AD will not have federalism implications under Executive Order 13132. This AD will not have a substantial direct effect on the States, on the relationship between the national Government and the States, or on the distribution of power and responsibilities among the various levels of government.

For the reasons discussed above, I certify that the regulation:

1. Is not a "significant regulatory action" under Executive Order 12866;
2. Is not a "significant rule" under the DOT Regulatory Policies and Procedures (44 FR 11034, February 26, 1979); and
3. Will not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

We prepared an economic evaluation of the estimated costs to comply with this AD. See the DMS to examine the economic evaluation.

Authority for This Rulemaking

Title 49 of the United States Code specifies the FAA's authority to issue rules on aviation safety. Subtitle I, section 106, describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the Agency's authority.

We are issuing this rulemaking under the authority described in subtitle VII, part A, subpart III, section 44701, "General requirements." Under that section, Congress charges the FAA with promoting safe flight of civil aircraft in air commerce by prescribing regulations for practices, methods, and procedures the Administrator finds necessary for safety in air commerce. This regulation is within the scope of that authority because it addresses an unsafe condition that is likely to exist or develop on products identified in this rulemaking action.

List of Subjects in 14 CFR Part 39

Air transportation, Aircraft, Aviation safety, Incorporation by reference, Safety.

Adoption of the Amendment

■ Accordingly, pursuant to the authority delegated to me by the Administrator, the Federal Aviation Administration amends part 39 of the Federal Aviation Regulations (14 CFR part 39) as follows:

PART 39—AIRWORTHINESS DIRECTIVES

■ 1. The authority citation for part 39 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40113, 44701.

§ 39.13 [Amended]

■ 2. Section 39.13 is amended by adding a new airworthiness directive to read as follows:

2006-06-01 Eurocopter France:

Amendment 39-14509. Docket No. FAA-2005-22697, Directorate Identifier 2004-SW-46-AD.

Applicability

Model EC 155B and B1 helicopters, certificated in any category.

Compliance

Required as indicated, unless accomplished previously.

To prevent interference of the wiring with the structure resulting in an electrical short circuit, failure of the landing gear to extend, and an emergency landing, accomplish the following:

- (a) Within 50 hours time-in-service (TIS),
 - (1) Inspect the wiring of panel 12 Alpha (wiring) electrical cable bundle for wear. If wear is present, replace the worn cable bundle with an airworthy cable bundle by following the Accomplishment Instructions, paragraphs 2.A.1, 2.B.1., and 2.B.2 of Eurocopter Alert Service Bulletin EC155 No. 24A011, Revision 1, dated May 14, 2004 (ASB).

Note 1: Aircraft Maintenance Manual (AMM): Tasks 24.00.00.911 and 32-30-00-721 and Standard Practices Manual (MTC) Work Cards 20.02.01.415, 20.06.01.310, 20.06.01.406, and 20.02.06.409 pertain to the subject of this AD.

- (2) Modify the routing of the electrical wiring (MOD 0739C28) and replace spreaders and spacers by following the Accomplishment Instructions, paragraph 2.B.3. through 2.B.9. of the ASB.

(b) To request a different method of compliance or a different compliance time for this AD, follow the procedures in 14 CFR 39.19. Contact the Rotorcraft Directorate, Regulations and Policy Group, FAA, ATTN: Jorge Castillo, Aviation Safety Engineer, Fort Worth, Texas 76193-0111, telephone (817) 222-5127, fax (817) 222-5961 for information about previously approved alternative methods of compliance.

(c) Special flight permits will not be issued.

(d) Inspect and modify the routing of the electrical wiring and replace any electrical parts in accordance with the specified portions of Eurocopter Alert Service Bulletin EC155 No. 24A011, Revision 1, dated May 14, 2004. The Director of the Federal Register approved this incorporation by reference in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. Copies may be obtained from American Eurocopter Corporation, 2701 Forum Drive, Grand Prairie, Texas 75053-4005, telephone (972) 641-3460, fax (972) 641-3527. Copies may be inspected at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202-741-6030, or go to: http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html.

(e) This amendment becomes effective on April 18, 2006.

Note 2: The subject of this AD is addressed in Direction Generale de l'Aviation Civile (France) AD F-2004-057 R1, dated July 21, 2004.

Issued in Fort Worth, Texas, on February 23, 2006.

David A. Downey,

Manager, Rotorcraft Directorate, Aircraft Certification Service.

BILLING CODE 4910-13-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

18 CFR Part 35

[Docket No. RM06-13-000; Order No. 674]

Conditions for Public Utility Market-Based Rate Authorization Holders

AGENCY: Federal Energy Regulatory Commission, DOE.

ACTION: Final rule; clarification.

SUMMARY: This document clarifies a correction that was published in the **Federal Register** on March 7, 2006. That action amended an effective date for a Final Rule that published in the **Federal Register** on February 27, 2006. The correction document referenced the wrong **Federal Register** page number.

DATES: *Effective Date:* February 27, 2006.

FOR FURTHER INFORMATION CONTACT: Frank Karabetsos, Office of General Counsel, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, (202) 502-8133, Frank.Karabetsos@ferc.gov.

SUPPLEMENTARY INFORMATION: In FR Doc. 06-2155, published in the **Federal Register** on March 7, 2006 (71 FR 11304), the correction language cited the

wrong page number for the original **Federal Register** document. FR Doc. 06-2155 is clarified and corrected as follows:

On page 11304, column 1, under **SUPPLEMENTARY INFORMATION**, change “(71 FR 9698)” to “(71 FR 9695)” and “On page 9698 * * *” to “On page 9695”.

Magalie R. Salas,

Secretary.

[FR Doc. 06-2404 Filed 3-13-06; 8:45 am]

BILLING CODE 6717-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

21 CFR Part 520

Oral Dosage Form New Animal Drugs; Sulfamerazine, Sulfamethazine, and Sulfaquinoxaline Powder

AGENCY: Food and Drug Administration, HHS.

ACTION: Final rule.

SUMMARY: The Food and Drug Administration (FDA) is amending the animal drug regulations to reflect approval of a new animal drug application (NADA) filed by Alpharma Inc. The NADA provides revised labeling for a soluble powder containing sulfamerazine, sulfamethazine, and sulfaquinoxaline used in drinking water of chickens and turkeys as an aid in the control of coccidiosis and acute fowl cholera.

DATES: The rule is effective March 14, 2006.

FOR FURTHER INFORMATION CONTACT: Dianne T. McRae, Center for Veterinary Medicine (HFV-104), Food and Drug Administration, 7500 Standish Pl., Rockville, MD 20855, 301-827-0161, e-mail: dianne.mcrae@fda.hhs.gov.

SUPPLEMENTARY INFORMATION: Alpharma Inc., One Executive Drive, Fort Lee, NJ 07024, filed NADA 100-094 for POULTRY-SULFA (sulfamerazine, sulfamethazine, and sulfaquinoxaline) Antimicrobial Soluble Powder, an over-the-counter product used in the drinking water of chickens and turkeys as an aid in the control of coccidiosis and acute fowl cholera. The NADA relies on the National Academy of Sciences/National Research Council (NAS/NRC), Drug Efficacy Study Group's (DESI) effectiveness evaluation and subsequent FDA conclusions. The findings were published in the **Federal Register** of July 5, 1984 (49 FR 27543).

Using the official analytical method of detection, residues of sulfamethazine and sulfamerazine in edible tissues co-elute and cannot be quantified individually. There are no products containing only sulfamerazine approved for use in chickens or turkeys. Therefore, a tolerance for sulfamerazine residues in edible tissues of chickens or turkeys is not established at this time.

Products that comply with the NAS/NRC findings and FDA's conclusions regarding those findings are eligible for immediate copying under the Generic Animal Drug and Patent Term Restoration Act (GADPTRA) (see the eighth in a series of policy letters issued to facilitate implementation of GADPTRA that published in the **Federal Register** of August 21, 1991 (56 FR 41561), available online at <http://www.fda.gov/cvm/Documents/8thltr.doc>).

The NADA is approved as of February 2, 2006, and part 520 (21 CFR part 520) is amended by adding new § 520.2218 to reflect the approval. The basis of approval is discussed in the freedom of information summary.

In accordance with the freedom of information provisions of 21 CFR part 20 and 21 CFR 514.11(e)(2)(ii), a summary of safety and effectiveness data and information submitted to support approval of this application may be seen in the Division of Dockets Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm. 1061, Rockville, MD 20852, between 9 a.m. and 4 p.m., Monday through Friday.

FDA has determined under 21 CFR 25.33(a)(1) that this action is of a type that does not individually or cumulatively have a significant effect on the human environment. Therefore, neither an environmental assessment nor an environmental impact statement is required.

This rule does not meet the definition of “rule” in 5 U.S.C. 804(3)(A) because it is a rule of “particular applicability.” Therefore, it is not subject to the congressional review requirements in 5 U.S.C. 801-808.

List of Subjects in 21 CFR Part 520

Animal drugs.

■ Therefore, under the Federal Food, Drug, and Cosmetic Act and under authority delegated to the Commissioner of Food and Drugs and redelegated to the Center for Veterinary Medicine, 21 CFR part 520 is amended as follows:
