

Rydex ETF option for Market Participant orders executed on the Exchange. In all cases, the fee would be charged only to the Exchange member through whom such order is placed.

Amex represents that the proposed options licensing fees would allow the Exchange to recoup its costs in connection with the index license fees for the trading of the Rydex ETF options. The fees would be collected on every Market Participant order executed on the Exchange. The Exchange believes that requiring the payment of a per-contract licensing fee in connection with the Rydex ETF options by those Market Participants that benefit from the index license agreements is justified and consistent with the rules of the Exchange.

The Exchange notes that, in recent years, it has revised a number of its fees to better align Amex fees with the actual cost of delivering services and reduce Amex's subsidization of such services.⁶ The Exchange represents that the implementation of this proposal is consistent with the reduction and/or elimination of these subsidies. Amex believes that these fees will help to allocate to those Market Participants engaging in transactions in Rydex ETF options a fair share of the related costs of offering such options for trading.

The Exchange asserts that the proposal provides for an equitable allocation of fees as required by Section 6(b)(4) of the Act.⁷ In connection with the adoption of options licensing fees for the Rydex ETF options, the Exchange notes that charging the options licensing fees, where applicable, to all Market Participant orders, except for customer orders, is reasonable given the competitive pressures in the industry. Accordingly, the Exchange seeks, through this proposal, to better align its transaction charges with the cost of providing trading products.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act⁸ in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

⁶ See, e.g., Securities Exchange Act Release No. 45360 (January 29, 2002), 67 FR 5626 (February 6, 2002); Securities Exchange Act Release No. 44286 (May 9, 2001), 66 FR 27187 (May 16, 2001).

⁷ Section 6(b)(4) of the Act states that the rules of a national securities exchange must "provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities." 15 U.S.C. 78f(b)(4).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁹ and Rule 19b-4(f)(2)¹⁰ thereunder because it establishes or changes a due, fee, or other charge imposed by the Exchange. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; Boston Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment No. 1 Thereto to Authorize Entry into Regulatory Services Agreements

March 7, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 15, 2006, the Boston Stock Exchange, Inc. ("Exchange" or "BSE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. On March 2, 2006, the Exchange filed Amendment No. 1 to the proposed rule

² 17 CFR 240.19b-4.

change.³ The Exchange filed the proposed rule change as a “non-controversial” rule change under Rule 19b-4(f)(6) under the Act,⁴ which rendered the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Constitution to permit the Exchange to contract with another self-regulatory organization (“SRO”) for the performance of certain of the Exchange’s regulatory functions. The text of the proposed rule change is available on the BSE’s Web site, <http://www.bostonstock.com>, at the BSE’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change would create a mechanism that would allow the BSE to contract with another SRO for the performance of certain of the BSE’s regulatory functions. The purpose of the proposed rule change is to enhance the BSE’s ability to carry out its regulatory obligations under the Act by providing the BSE the ability to contract with another SRO for regulatory services. Under any agreement for regulatory services with another SRO, the BSE would remain an SRO registered under Section 6 of the Act⁵ and, therefore, would continue to have

statutory authority and responsibility for enforcing compliance by its members, and persons associated with its members, with the Act, the rules thereunder, and the rules of the BSE.

This rule change would have immediate applicability with respect to a Regulatory Services Agreement (“RSA”) between the BSE, the Chicago Board Options Exchange, Incorporated (“CBOE”), and other options markets participating in the proposed Options Regulatory Surveillance Authority national market system plan. The BSE has determined that, to best discharge its SRO responsibilities, it will contract with CBOE, which is subject to Commission oversight pursuant to Sections 6 and 19 of the Act,⁶ for CBOE to provide certain regulatory services to the BSE, as set forth in the RSA. In performing services under the RSA, CBOE will be operating pursuant to the statutory SRO responsibilities of the BSE under Sections 6 and 19, as well as performing for itself its own SRO responsibilities. The proposed rule change specifically states that any action taken by another SRO, or its employees or authorized agents, operating on behalf of the BSE pursuant to a regulatory services agreement with the BSE (*e.g.*, CBOE under the RSA) will be deemed an action taken by the BSE. The BSE will retain ultimate responsibility for performance of its SRO duties under the RSA, and the proposed rule change states that the BSE will retain ultimate legal responsibility for, and control of, its SRO responsibilities.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁷ in general, and furthers the objectives of Sections 6(b)(1), 6(b)(6) and 6(b)(7) of the Act⁸ in particular, in that it will enhance the ability of the Exchange to enforce compliance by its members and persons associated with its members with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange; it will help ensure that members and persons associated with members are appropriately disciplined for violations of the Act, the rules and regulations thereunder, and the rules of the Exchange; and it will provide a fair procedure for the disciplining of members and persons associated with members.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of filing, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁰ The proposed rule change is based on a rule change previously filed by the American Stock Exchange LLC and approved by the Commission.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing of a Proposed Rule Change and Amendment No. 1 Thereto Relating to Specialist Participant Fees and Credits

March 7, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 27, 2006, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the CHX. ³ In Amendment No. 1, the Exchange revised the proposed rule text to clarify its meaning.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of, and basis for, the proposed rule change, as amended, and discussed any comments it received regarding the proposal, as amended. The text of these statements may be examined at the places specified in Item IV below. The CHX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Under the Exchange's rules, the Committee on Specialist Assignment and Evaluation ("CSAE") is responsible for appointing participant firms to act as specialists on the Exchange.⁴ From time to time, the CSAE may make a temporary assignment of one or more securities to a specialist firm.⁵ Temporary assignments may be made, for example, when one specialist firm has requested and been granted the opportunity to deregister in one or more of its securities before the formal posting and assignment process has been completed.⁶ Through this filing, the Exchange proposes to confirm that, when a firm has been appointed to act as specialist in a security on a temporary basis, the firm will not be charged the specialist fixed fees otherwise associated with the trading of that security. The Exchange believes that this fee waiver creates an appropriate (and limited) incentive for a firm to agree to act as specialist on a temporary basis. This proposed rule change is designed to take effect, on a

⁴ See Article IV, Rule 6.

⁵ See Article XXX, Rule 1.

⁶ The Exchange represents that when a security is to be assigned or reassigned, the Exchange notifies specialist firms of the assignment opportunity and invites applications for the security. See Article XXX, Rule 1, Interpretation and Policy .01, Section II. The Exchange further represents that if more than one firm seeks the assignment, the CSAE holds meetings with the firms to review their demonstrated ability, experience, financial responsibility and other factors that are relevant to the CSAE's assignment decision. See Article XXX, Rule 1, Interpretation and Policy .01, Section II and Section III. The Exchange represents that depending upon the number of firms applying for a security and the availability of committee members and specialist firm representatives, this process could take several weeks to complete. An interim temporary assignment allows a security to continue to be traded by a specialist firm, while the process is completed.
