

Investigations: Certain Lined Paper Products from India, Indonesia and the People's Republic of China, 70 FR 58374 (October 6, 2005). The notice of initiation stated that we would make our preliminary determinations for these antidumping duty investigations no later than 140 days after the date of issuance of the initiation. On February 10, 2006, the Department postponed the preliminary determinations by 30 days to March 18, 2006. See *Notice of Postponement of Preliminary Determination of Antidumping Duty Investigation: Certain Lined Paper Products from the People's Republic of China, India, and Indonesia*, 71 FR 7015 (February 10, 2006). On February 21, 2006, the Association of American School Paper Suppliers, and its individual members ("Petitioner"), made timely requests pursuant to 19 CFR §351.205(e) for an additional 20-day postponement of the preliminary determinations with respect to the antidumping duty investigations covering certain lined paper products ("CLPP") from the People's Republic of China (PRC) and India. Petitioner requested postponement of the preliminary determinations because it will provide the Department additional time to review submitted questionnaire responses which Petitioner claims contain substantial deficiencies.

Under section 733(c)(1)(A) of the Tariff Act of 1930, as amended ("the Act"), if Petitioner makes a timely request for a postponement of the preliminary determination, the Department may postpone the preliminary determination under subsection (b)(1) until no later than the 190th day after the initiation of the investigation.

Therefore, for reasons identified by Petitioner, we are postponing the preliminary determinations with respect to the antidumping duty investigations of CLPP from the PRC and India under section 733(c)(1)(A) of the Act by an additional 20 days to April 7, 2006. Pursuant to section 735(a) of the Act, the deadline for the final determinations will continue to be 75 days after the date of the preliminary determinations, or if extended, up to 135 days after the date of publication of the preliminary determinations in the **Federal Register**.

This notice is issued and published pursuant to sections 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: March 7, 2006.

Notice of Postponement of Final Antidumping Duty Determination and Extension of Provisional Measures: Metal Calendar Slides from Japan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 14, 2006.

FOR FURTHER INFORMATION CONTACT:

Scott Lindsay or Dara Iserson, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0780 or (202) 482-4052, respectively.

Postponement of Final Determination

The Department of Commerce (the Department) is postponing the final determination in the antidumping duty investigation of metal calendar slides from Japan.

On July 26, 2005, the Department published the initiation of the antidumping duty investigation on imports of metal calendar slides from Japan. See *Initiation of Antidumping Duty Investigation: Metal Calendar Slides from Japan*, 70 FR 43122 (July 26, 2005). On February 1, 2006, the Department published its affirmative preliminary determination in this investigation. See *Notice of Preliminary Determination of Sales at Less Than Fair Value: Metal Calendar Slides from Japan*, 71 FR 5244 (February 1, 2006). This notice stated that the Department would issue its final determination no later than 75 days after the date on which the Department issued its preliminary determination.

Section 735(a)(2)(A) of the Tariff Act of 1930, as amended, (the Act) and 19 CFR 351.210(b)(2)(ii) provide that a final determination may be postponed until no later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise. Additionally, the Department's regulations, at 19 CFR 351.210(e)(2)(ii), require that requests by a respondent for postponement of a final determination be accompanied by a request for an extension of the provisional measures from a four-month period to not more than six months.

On February 13, 2006, in accordance with section 735(a)(2)(A) of the Act and

19 CFR 351.210(b)(2)(ii), the only known exporter, Nishiyama Kinzoku Co. Ltd. (Nishiyama), requested that the Department: (1) Postpone the final determination; and (2) extend the provisional measures period from four months to a period not longer than six months. Accordingly, pursuant to section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) The preliminary determination is affirmative; (2) the requesting exporter accounts for a significant proportion of exports of the subject merchandise in this investigation; and (3) no compelling reasons for denial exist, we are postponing the final determination until no later than 135 days after the publication of the preliminary determination in the **Federal Register** (*i.e.*, until no later than June 16, 2006). Suspension of liquidation will be extended accordingly.

This notice of postponement is published pursuant to section 735(a) of the Act and 19 CFR 351.210(g).

Dated: March 8, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
