Overview

The FLH program is authorized by the Housing Act of 1949: Section 514 (42 U.S.C. 1484) for loans and section 516 (42 U.S.C. 1486) for grants. Tenant subsidies (RA) are available through section 521 (42 U.S.C. 1490a). Sections 514 and 516 provide Rural Housing Service (RHS) the authority to make loans and grants for financing off-farm housing to broad-based nonprofit organizations, nonprofit organizations of farmworkers, federally recognized Indian tribes and agencies or political subdivisions of State or local government. In addition, loans may be made to limited partnerships in which the general partner is a nonprofit entity.

Program Administration**I. Funding Opportunities Description**

The Agency's FLH program is authorized by Title V of the Housing Act of 1949: Section 514 (42 U.S.C. 1484) for loans and section 516 (42 U.S.C. 1486) for grants. Tenant subsidies (RA and operating assistance) are available through section 521 (42 U.S.C. 1490a). Agency regulations for the Off-FLH program are published at 7 CFR part 3560, subpart L. Eligibility for section 516 off-farm FLH grants is limited to broad-based nonprofit organizations, nonprofit organizations of farmworkers, federally recognized Indian tribes, agencies or political subdivisions of State or local government, and public agencies (such as housing authorities). Eligibility for section 514 off-farm FLH loans includes each of the aforementioned entities and also includes limited partnerships which have a nonprofit entity as their sole general partner.

Housing that is constructed with these loans and grants must meet the Agency design and construction standards contained in 7 CFR part 1924, subparts A and C. Once constructed, off-farm FLH must be managed in accordance with the program's management regulation, 7 CFR part 3560. Tenant eligibility is limited to persons who meet the definition of a "domestic farm laborer", a "retired domestic farm laborer", or a "disabled domestic farm laborer," as these terms are defined in 7 CFR 3560.11. A domestic farm labor is defined as "[a] person who, * * *, receives a substantial portion of his or her income from farm labor employment (not self-employed) in the United States, Puerto Rico, or the Virgin Islands and either is a citizen of the United States or resides in the United States, Puerto Rico, or the Virgin Islands after being legally admitted for permanent residence. This definition may include

the immediate family members residing with such a person." Farmworkers who are admitted to this country on a temporary basis under the Temporary Agricultural Workers (H-2A Visa) program are not eligible to occupy section 514/516 off-farm FLH.

The term "farm labor," as used in the definition of domestic farm laborer, includes "[services in connection with cultivating the soil, raising or harvesting any agriculture or aquaculture commodity; or in catching, netting, handling, planting, drying, packing, grading, storing, or preserving in the unprocessed stage, * * *, any agriculture or aquaculture commodity; or delivering to storage, market, or a carrier for transportation to market or to processing any agricultural or aquacultural commodity in its unprocessed stage]." In addition, off-farm FLH must be operated on a nonprofit basis and tenancy must be open to all qualified domestic farm laborers, regardless at which farm they work.

Operating assistance may be used in lieu of tenant-specific rental assistance in off-farm labor housing projects financed under section 514 or section 516(i) of the Housing Act of 1949 (U.S.C. 1486(i)) that serve migrant farmworkers. To be eligible for the operating assistance, projects must be off-farm FLH projects financed under section 514 or section 516 with units that are for migrant farmworkers (housing units for year-round farmworker households are ineligible) and must otherwise meet the requirements of 7 CFR 3560.574. "Migrants or migrant agricultural laborer" is defined in 7 CFR 3560.11 as "[a] person (and the family of such person) who receives a substantial portion of his or her income from farm labor employment and who establishes a residence in a location on a seasonal or temporary basis, in an attempt to receive farm labor employment at one or more locations away from their home base state, excluding day-haul agricultural workers whose travels are limited to work areas within one day of their residence." Owners of eligible projects may choose tenant-specific RA or operating assistance, or a combination of both; however, any tenant or unit assisted with operating assistance may not also receive RA.
