The reporting requirements contained in this Notice have been approved by the Office of Management and Budget under Control Number 0575-0045.

**Overview**

The FLH program is authorized by the Housing Act of 1949: Section 514 (42 U.S.C. 1484) for loans and section 516 (42 U.S.C. 1486) for grants. Tenant subsidies (RA) are available through section 521 (42 U.S.C. 1490a). Sections 514 and 516 provide Rural Housing Service (RHS) the authority to make loans and grants for financing off-farm housing to broad-based nonprofit organizations, nonprofit organizations of farmworkers, federally recognized Indian tribes and agencies or political subdivisions of State or local government. In addition, loans may be made to limited partnerships in which the general partner is a nonprofit entity.

**Program Administration****I. Funding Opportunities Description**

The Agency's FLH program is authorized by Title V of the Housing Act of 1949: Section 514 (42 U.S.C. 1484) for loans and section 516 (42 U.S.C. 1486) for grants. Tenant subsidies (RA and operating assistance) are available through section 521 (42 U.S.C. 1490a). Agency regulations for the Off-FLH program are published at 7 CFR part 3560, subpart L. Eligibility for section 516 off-farm FLH grants is limited to broad-based nonprofit organizations, nonprofit organizations of farmworkers, federally recognized Indian tribes, agencies or political subdivisions of State or local government, and public agencies (such as housing authorities). Eligibility for section 514 off-farm FLH loans includes each of the aforementioned entities and also includes limited partnerships which have a nonprofit entity as their sole general partner.

Housing that is constructed with these loans and grants must meet the Agency design and construction standards contained in 7 CFR part 1924, subparts A and C. Once constructed, off-farm FLH must be managed in accordance with the program's management regulation, 7 CFR part 3560. Tenant eligibility is limited to persons who meet the definition of a "domestic farm laborer", a "retired domestic farm laborer", or a "disabled domestic farm laborer," as these terms are defined in 7 CFR 3560.11. A domestic farm labor is defined as "[a] person who, \* \* \*, receives a substantial portion of his or her income from farm labor employment (not self-employed) in the United States, Puerto Rico, or the Virgin Islands and either is a citizen of the United States or resides in the United States, Puerto Rico, or the Virgin Islands after being legally admitted for permanent residence. This definition may include

the immediate family members residing with such a person." Farmworkers who are admitted to this country on a temporary basis under the Temporary Agricultural Workers (H-2A Visa) program are not eligible to occupy section 514/516 off-farm FLH.

The term "farm labor," as used in the definition of domestic farm laborer, includes "[services in connection with cultivating the soil, raising or harvesting any agriculture or aquaculture commodity; or in catching, netting, handling, planting, drying, packing, grading, storing, or preserving in the unprocessed stage, \* \* \*, any agriculture or aquaculture commodity; or delivering to storage, market, or a carrier for transportation to market or to processing any agricultural or aquacultural commodity in its unprocessed stage]." In addition, off-farm FLH must be operated on a nonprofit basis and tenancy must be open to all qualified domestic farm laborers, regardless at which farm they work.

Operating assistance may be used in lieu of tenant-specific rental assistance in off-farm labor housing projects financed under section 514 or section 516(i) of the Housing Act of 1949 (U.S.C. 1486(i)) that serve migrant farmworkers. To be eligible for the operating assistance, projects must be off-farm FLH projects financed under section 514 or section 516 with units that are for migrant farmworkers (housing units for year-round farmworker households are ineligible) and must otherwise meet the requirements of 7 CFR 3560.574. "Migrants or migrant agricultural laborer" is defined in 7 CFR 3560.11 as "[a] person (and the family of such person) who receives a substantial portion of his or her income from farm labor employment and who establishes a residence in a location on a seasonal or temporary basis, in an attempt to receive farm labor employment at one or more locations away from their home base state, excluding day-haul agricultural workers whose travels are limited to work areas within one day of their residence." Owners of eligible projects may choose tenant-specific RA or operating assistance, or a combination of both; however, any tenant or unit assisted with operating assistance may not also receive RA.

**II. Award Information**

Applications for Fiscal Year (FY) 2006 will only be accepted through the date and time listed in this NOFA.

Because RHS has the ability to adjust loan and grant levels, final loan and grant levels will fluctuate. The estimated funds available for FY 2006

for off-farm housing are: Section 514, \$31,937,082 and section 516, \$10,491,000.

Individual requests may not exceed \$3 million (total loan and grant). If RA is available, it will be held in the National Office and will be awarded based on each project's financial structure and need. Section 516 off-farm FLH grants may not exceed 90 percent of the total development cost of the housing. Applications that require leveraged funding must have firm commitments in place for all of the leveraged funding within 1 year of the issuance of a "Notice of Preapplication Review Action," Form AD-622. In order to be eligible for leveraged funding selection points, the commitment for leveraged funds must be submitted with the initial preapplication.

All preapplications for sections 514 and 516 funds must be filed with the appropriate Rural Development State Office and must meet the requirements of this Notice. Incomplete preapplications will not be reviewed and will be returned to the applicant. No preapplication will be accepted after 5 p.m., local time for each Rural Development State Office on May 19, 2006 unless date and time is extended by another Notice published in the **Federal Register**.

If a preapplication is accepted for further processing, the applicant will be expected to submit a complete, formal application prior to the obligation of Agency funds.

(6) A statement concerning the need for a labor housing grant. The statement should include preliminary estimates of the rents required with and without a grant.

(7) A statement of the applicant's experience in operating labor housing or other rental housing. If the applicant's experience is limited, additional information should be provided to indicate how the applicant plans to compensate for this limited experience (i.e., obtaining assistance and advice of a management firm, non-profit group, public agency, or other organization which is experienced in rental

management and will be available on a continuous basis).

The form can be found online at [http://www.hudclips.org/sub\\_nonhud/html/pdfforms/935-2.pdf](http://www.hudclips.org/sub_nonhud/html/pdfforms/935-2.pdf).

## V. Application Review Information

All applications for sections 514 and 516 funds must be filed with the appropriate Rural Development State Office and must meet the requirements of this Notice. Incomplete applications will not be reviewed and will be returned to the applicant. No application will be accepted after 5 p.m., local time for each Rural Development State Office on May 19, 2006 unless date and time is extended by another Notice published in the **Federal Register**. The Rural Development State Office will base its determination of completeness of the

application and the eligibility of each applicant on the information provided in the application.

*Selection Criteria*

Section 514 loan funds and section 516 grant funds will be distributed to States based on a national competition, as follows:

(1) States will accept, review, and score requests in accordance with the Notice. The scoring factors are:  
 (a) The presence and extent of leveraged assistance, including donated land, for the units that will serve program-eligible tenants, calculated as a percentage of the RHS total development cost (TDC). RHS TDC excludes non-RHS eligible costs such as a developer's fee. Leveraged assistance includes, but is not limited to, funds for hard construction costs, section 8 or other non-RHS tenant subsidies, and state or Federal funds. A minimum of ten percent leveraged assistance is required to earn points; however, if the total percentage of leveraged assistance is less than ten percent and the proposal includes donated land, two points will be awarded for the donated land. To count as leveraged funds for purposes of the selection criteria, a commitment of funds must be provided with the preapplication. Points will be awarded in accordance with the following table. (0 to 20 points)

Percentage	Points
75 or more .....	20
60-74 .....	18
50-59 .....	16
40-49 .....	12
30-39 .....	10
20-29 .....	8
10-19 .....	5
0-9 .....	0

Donated land in proposals with less than ten percent total leveraged assistance: 2.

(b) Percent of units for seasonal, temporary, migrant housing. (5 points for up to and including 50 percent of the units; 10 points for 51 percent or more.)

(c) The selection criteria includes one optional criteria set by the National Office. The National Office initiative will be used in the selection criteria as follows: Up to 10 points will be awarded based on the presence of and extent to which a tenant services plan exists that clearly outlines services that will be provided to the residents of the proposed project. These services may include, but are not limited to, transportation related services, on-site English as a Second Language (ESL) classes, move-in funds, emergency assistance funds, homeownership

counseling, food pantries, after school tutoring, and computer learning centers. Two points will be awarded for each resident service included in the tenant services plan up to a maximum of 10 points. Plans must detail how the services are to be administered, who will administer them, and where they will be administered. All tenant service plans must include letters of intent that clearly state the service that will be provided at the project for the benefit of the residents from any party administering each service, including the applicant. (0 to 10 points)

(2) States will conduct the preliminary eligibility review, score the applications, and forward them to the National Office.

(3) The National Office will rank all requests nationwide and distribute funds to States in rank order, within funding and RA limits. A lottery in accordance with 7 CFR 3560.56(c)(2) will be used for applications with tied point scores when they all cannot be funded. If insufficient funds or RA remain for the next ranked proposal, that applicant will be given a chance to modify their application to bring it within remaining funding levels. This will be repeated for each next ranked eligible proposal until an award can be made or the list is exhausted.
