**SUPPLEMENTARY INFORMATION:****A. Background**

This rule proposes to amend FAR 13.302–4 by reinstating the appropriate coverage for termination for cause of commercial purchase orders.

For commercial purchase orders that have been accepted in writing by the contractor, current references to FAR 12.403(d) and FAR 52.212–4(l) as stated in 13.302–4(a) address termination for convenience. The current FAR language at 13.302–4(a) was established in February 1998 under Federal Acquisition Circular 97–3. This change constituted a complete rewrite/reorganization of FAR Part 13. Previously, FAR Part 13 identified both termination for cause as well as for convenience as the termination methods available to contracting officers. Furthermore, FAR 12.403 permits the Government to terminate a contract for commercial items either for the convenience of the Government or for cause, and makes no distinction based on the dollar value of the commercial item contract, nor the contractual method utilized to procure the commercial item. Therefore, the proposed changes at FAR 13.302–4(a) reinstate references to procedures for termination for cause as well as termination for convenience.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

**B. Regulatory Flexibility Act**

The Councils do not expect this proposed rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule does not change the Government's existing termination rights but merely clarifies those rights by correcting an inadvertent error in the FAR. An Initial Regulatory Flexibility Analysis has, therefore, not been performed. We invite

comments from small businesses and other interested parties. The Councils will consider comments from small entities concerning the affected FAR Part 13 in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (FAR case 2005–029), in correspondence.

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the proposed changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
