Regulations Governing Practice Before the Internal Revenue; Correction

AGENCY: Office of the Secretary, Treasury.

ACTION: Correction to notice of proposed rulemaking and notice of public hearing.

SUMMARY: This document contains corrections to a notice of proposed rulemaking and notice of public hearing that was published in the **Federal Register** on Wednesday, February 8, 2006 (71 FR 6421). These proposed

regulations affect individuals who practice before the Internal Revenue Service (Circular 230). The proposed amendments modify the general standards of practice before the Internal Revenue Service.

FOR FURTHER INFORMATION CONTACT: Brinton T. Warren at (202) 622-7800 (not toll-free number).

SUPPLEMENTARY INFORMATION:

Background

The notice of proposed rulemaking and notice of public hearing (REG-122380-02) that are the subject of these corrections are under 31 CFR sections 10.1, 10.2, 10.5, 10.6, 10.7, 10.22, 10.25, 10.27, 10.29, 10.34, 10.35, 10.50, 10.51, 10.52, 10.60, 10.61, 10.62, 10.63, 10.65, 10.68, 10.70, 10.71, 10.72, 10.73, 10.76, 10.77, 10.78, 10.82, 10.90 and 10.91.

Need for Correction

As published, the notice of proposed rulemaking and notice of public hearing (REG-122380-02) contains errors that may prove to be misleading and are in need of clarification.

Correction of Publication

Accordingly, the publication of the notice of proposed rulemaking (REG-122380-02), that was the subject of FR Doc. 06-1106, is corrected as follows:

1. On page 6421, column 3, the regulation heading, line 5, (RIN 1545-AY05) is corrected to read "RIN 1545-BA72".
2. On page 6421, column 3, under the paragraph heading "DATES", line 3, the language, "by April 10, 2006. Outlines of topics to" is corrected to read "by April 28, 2006. Outlines of topics to".
3. On page 6421, column 3, under the paragraph heading "DATES", the last line, the language, "received by April 10, 2006." is corrected to read "received by May 31, 2006."
4. On page 6426, column 2, in the preamble under the paragraph heading "Comments and Public Hearing", third paragraph, line 5, the language, "comments by April 10, 2006 and an" is corrected to read "comments by April 28, 2006 and an".
5. On page 6426, column 2, in the preamble under the paragraph heading "Comments and Public Hearing", third paragraph the last line, the language, "April 10, 2006. A period of 10 minutes" is corrected to read "May 31, 2006. A period of 10 minutes".

Richard S. Carro,

Senior Advisor to the General Counsel.

RIN 1625-AA08

Special Local Regulations for Marine Events; Onslow Bay, Beaufort Inlet, Morehead City State Port, Beaufort Harbor and Taylor Creek, NC

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish special local regulations during the "Pepsi Americas' Sail 2006", tall ships parade and race to be held on Onslow Bay, Beaufort Inlet, inland waters of the Morehead City State Port and Beaufort Waterfront. This special local regulation is necessary to provide for the safety of life on navigable waters during the event. This proposed action is intended to restrict vessel traffic in segments of coastal North Carolina in the vicinity of Onslow Bay, Beaufort Inlet, inland waters of Morehead City State Port and Beaufort Harbor during the parade of sail and tall ship race.

DATES: Comments and related material must reach the Coast Guard on or before April 21, 2006.

ADDRESSES: You may mail comments and related material to Commander (oax), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, hand-deliver them to Room 119 at the same address between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays, or fax them to (757) 398-6203. The Auxiliary and Recreational Boating Safety Branch, Fifth Coast Guard District, maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket and will be available for inspection or copying at the above address between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: CWO C.D. Humphrey, U.S. Coast Guard Sector North Carolina, at (252) 247-4525.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related material. If you

do so, please include your name and address, identify the docket number for this rulemaking (CGD05-06-015), indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to the address listed under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

During the period 30 June to July 5, 2006, Pepsi Americas' Sail 2006 LLC will host the North Carolina port call of the "Pepsi Americas' Sail 2006". A parade of sails and tall ships racing event are planned during this period to be conducted on the waters adjacent to Onslow Bay, Beaufort Inlet and the inland waters of Morehead City State Port and Beaufort Harbor, North Carolina. The first event will be the "Tall Ships Parade of Sails" on July 1, 2006 that will commence in Anchorage Area "ALFA" as depicted on NOAA Chart 11545 "Beaufort Inlet and Part of Core Sound", and will enter Beaufort Inlet Channel at Beaufort Inlet Channel Lighted Buoy 7 and Beaufort Inlet Channel Lighted Buoy 8, and will proceed inbound to the Morehead City State Port turning basin thence to Beaufort Harbor Channel to Beaufort Harbor waterfront. The second event will be the "Tall Ships Race", on July 3, 2006 that will take place on Onslow Bay from Beaufort Inlet Channel and continuing west approximately 11 nautical miles to a line drawn along longitude 076-54' W. Because of the danger posed by numerous sailing vessels maneuvering in close proximity of each other during the proposed parade and race, special local regulations are necessary. For the safety concerns noted and to address the need for vessel control and vessel security, traffic will be temporarily restricted to provide for the safety of participants, spectators and transiting vessels.

Discussion of Proposed Rule

The Coast Guard proposes to establish temporary special local regulations on specified waters of Onslow Bay, Beaufort Inlet Channel, Morehead City State Port, Beaufort Harbor Channel and Taylor Creek. The July 1, 2006 "Tall Ships Parade of Sail" consist of Class "A", "B" and "C" tall ships participating in a carefully organized and highly publicized, international tall ship parade. The tall ship division of classes include Class "A", square-rigged vessels and all other vessels over 131 feet in length overall. Class "B" vessels are comprised of traditional rigged vessels with a length overall of less than 131 feet and with a waterline length of at least 30 feet. Class "C" vessels are modern rigged vessels with a length overall of less than 131 feet and with a waterline length of at least 30 feet, not carrying spinnaker like sails. The parade will consist of tall ships maneuvering in a predetermined area within anchorage area "ALFA" immediately adjacent and east of Beaufort Inlet Channel Lighted Buoy 8 and Beaufort Inlet Channel Lighted Buoy 10. The Ships will enter Beaufort Inlet Channel at Beaufort Inlet Lighted Buoy 7 and Beaufort Inlet Lighted Buoy 8, they will proceed inbound maintaining a 400 yard separation distance through Beaufort Inlet Channel to the Morehead City State Port turning basin, Class A ships will moor at the State Port facilities, Class B and C ships will reverse course and exit the turning basin enroute to Beaufort Harbor Channel and will moor at the Beaufort Waterfront on Taylor Creek. A fleet of spectator vessels is anticipated to gather nearby to view the parade. Because of the danger posed by numerous sailing vessels maneuvering in close proximity of each other during the proposed marine event, special local regulations are necessary. For the safety concerns noted and to address the need for vessel control and vessel security, traffic will be temporarily restricted to provide for the safety of participants, spectators and transiting vessels. The duration of the proposed parade of sails is anticipated to be approximately five hours.

The July 3, 2006 "Tall Ships Race" will consist of participation from the visiting international Class "B" tall ships. The race will be in a predetermined area immediately west of Beaufort Inlet Channel extending approximately 11 nautical miles to a line drawn along longitude 076-54' W. A fleet of spectator vessels is anticipated to gather nearby to view the race. Because of the danger posed by many sailing vessels maneuvering in close

proximity of each other during the race, special local regulations are necessary. For the safety concerns noted and to address the need for vessel control, traffic will be temporarily restricted to provide for the safety of participants, spectators and transiting vessels. The duration of the proposed tall ships race is anticipated to be approximately six hours.

The proposed temporary special local regulations will be enforced from 6:30 a.m. to 1 p.m. on July 1, 2006 for the "Tall Ships Parade of Sails"; and from 10:30 a.m. to 5:30 p.m. on July 3, 2006 for the "Tall Ships Class B race". These regulations will restrict general navigation in the regulated area during the marine events. The Coast Guard, at its discretion, when practical, will allow the passage of vessels when the parade or race is not taking place. Except for participants and vessels authorized by the Coast Guard Patrol Commander, no person or vessel will be allowed to enter or remain in the regulated area during the enforcement period. These regulations are needed to control vessel traffic during the event to enhance the safety of participants, spectators and transiting vessels.

Regulatory Evaluation

This proposed rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary.

Although this proposed regulation will prevent traffic from transiting a segment of the Onslow Bay, Beaufort Inlet, Morehead City State Port and Beaufort Harbor during these events, the effect of this regulation will not be significant due to the limited duration that the regulated area will be enforced. Extensive advance notifications will be made to the maritime community via Local Notice to Mariners, marine information broadcasts, area newspapers and local radio stations, so mariners can adjust their plans accordingly.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities. This proposed rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit these sections of the Onslow Bay, Beaufort Inlet, Morehead City State Port, Beaufort Harbor Channel and Taylor Creek during these events.

This proposed rule would not have a significant economic impact on a substantial number of small entities for the following reasons. This proposed rule would be in effect for only a limited period. Although the regulated area will apply to two separate segments within and around the waters of Onslow Bay, Beaufort Inlet, Morehead City State Port and Beaufort Harbor, traffic may be allowed to pass through the regulated areas with the permission of the Coast Guard Patrol Commander. In the case where the Patrol Commander authorizes passage through a regulated area during an event, vessels shall proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the event. Although this regulation prevents traffic from transiting the Onslow Bay, Beaufort Inlet, Morehead City State port and Beaufort Harbor Bay during these events, the effect of this regulation will not be significant because of its limited duration. Before the enforcement period, the Coast Guard will issue maritime advisories so mariners can adjust their plans accordingly.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121),

we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the address listed under **ADDRESSES**. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from

Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (*e.g.*, specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Commandant Instruction M16475.1D, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969

(NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation. Special local regulations issued in conjunction with a regatta or marine parade permit are specifically excluded from further analysis and documentation under that section.

Under figure 2–1, paragraph (34)(h), of the Instruction, an “Environmental Analysis Check List” and a “Categorical Exclusion Determination” are not required for this rule. Comments on this section will be considered before we make the final decision on whether to categorically exclude this rule from further environmental review.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233; Department of Homeland Security Delegation No. 0170.1.

2. Add a temporary § 100.35–T06–015 to read as follows:

§ 100.35–T06–015 Onslow Bay, Beaufort Inlet, Morehead City State Port, Beaufort Harbor and Taylor Creek near Morehead City NC.

(a) *Regulated area* includes two segments within and around the waters of the Onslow Bay, Beaufort Inlet, Morehead City Turning Basin, Beaufort Harbor and Taylor Creek North Carolina.

(1) The first segment for the “Parade of Sail” is bounded by a line drawn from a position at latitude 34°39’36” N, longitude 076°37’52” W, thence southerly to a position at latitude 34°37’52” N, longitude 076°37’52” W, thence westerly to a position at latitude 34°37’36” N, longitude 076°40’17” W, thence southerly to a position at latitude 34°36’50” N, longitude 076°40’42” W, thence westerly to a position at latitude 34°36’57” N, longitude 076°41’25” W, thence northerly parallel to Beaufort Inlet Channel to latitude 34°40’37” N, longitude 076°40’32” W, thence northeasterly to latitude 34°41’21” N, longitude 076°40’11” W, thence

northwesterly parallel to Cutoff Channel to latitude 34°41’43” N, longitude 076°40’21” W, thence northwesterly parallel to Morehead City Channel to latitude 34°42’46” N, longitude 076°42’02” W, thence westerly to latitude 34°42’46” N, longitude 076°42’12” W, thence northerly to latitude 34°42’54” N, longitude 076°42’13” W, thence easterly along Morehead City State Port berth seven, six, five and four to latitude 34°42’52” N, longitude 076°41’33” W, thence southeasterly to latitude 34°42’35” N, longitude 076°41’20” W, thence southeasterly parallel to Morehead City Channel to latitude 34°42’19” N, longitude 076°40’49” W at the entrance to Beaufort Harbor Channel, thence along the western bank of Beaufort Harbor Channel to latitude 34°42’54” W, longitude 076°40’44” W, thence easterly to the southern tip of Pivers Island, latitude 34°42’54” N, longitude 076°40’24” W, thence northerly along the shoreline of Pivers Island to latitude 34°43’08” N, longitude 076°40’19” W, thence northerly to intersection of the Beaufort Bascule Bridge and the shoreline at latitude 34°43’21” N, longitude 076°40’12” W, thence northerly along the shoreline to latitude 34°43’38” N, longitude 076°40’17” W, thence northwesterly to latitude 34°43’47” N, longitude 076°40’22” W, thence northeasterly to latitude 34°43’55” N, longitude 076°40’15” W, thence southerly along the shoreline to latitude 34°43’42” N, longitude 076°40’04” W, thence southerly parallel to Gallants Channel to the intersection of the Beaufort Bascule Bridge and the shoreline at latitude 34°43’21” N, longitude 076°40’05” W, thence southerly to Beaufort Waterfront at latitude 34°43’07” N, longitude 076°40’10” W, thence southeasterly along Beaufort waterfront to latitude 34°42’57” N, longitude 076°39’55” W, thence south to Carrot Island latitude 34°42’45” N, longitude 076°39’55” W, thence westerly following the shore line of Carrot Island to latitude 34°42’31” W, longitude 076°40’44” W, thence southeasterly to latitude 34°41’50” N, longitude 076°40’08” W, thence southerly to the western tip of Shackleford Banks at latitude 34°41’18” N, longitude 076°39’57” W, thence southerly to latitude 34°40’30” N, longitude 076°39’50” W, thence southerly parallel to Beaufort Inlet Channel to latitude 34°39’35” N, longitude 076°40’00” W, thence east to the point of origin.

(2) The second segment for the “Tall Ships Race” is bounded by a line drawn from a position at latitude 34°40’36” N,

longitude 076°41’00” W, thence westerly parallel to Bogue Banks to latitude 34°40’21” N, longitude 076°52’12” W, thence southwesterly to latitude 34°39’00” N, longitude 076°53’06” W, thence southeasterly to latitude 34°33’18” N, longitude 076°42’33” W, thence northeasterly to latitude 34°34’18” N, longitude 076°41’27” W, thence northerly to the point of origin.

(3) All coordinates reference Datum NAD 1983.

(b) *Definitions.* (1) Coast Guard Patrol Commander means any commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Sector North Carolina.

(2) Official Patrol means any person or vessel authorized by the Coast Guard Patrol Commander or approved by Commander, Coast Guard Sector North Carolina.

(3) Participant includes all vessels participating in the Pepsi Americas’ Sail 2006 under the auspices of the Marine Event Permit issued to the event sponsor and approved by Commander, Coast Guard Sector North Carolina.

(c) *Special local regulations.* (1) Except for the Official Patrol, participants, and persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

(2) Any person in the regulated area must stop immediately when directed to do so by any Official Patrol and then proceed only as directed.

(3) The operator of any vessel in the regulated area must stop the vessel immediately when directed to do so by any Official Patrol and then proceed only as directed.

(4) All persons and vessels shall comply with the instructions of the Official Patrol.

(5) When authorized to transit within the regulated area, all vessels shall proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the parade, race course and near other persons and vessels.

(d) *Enforcement period.* This section will be enforced from 6:30 a.m. to 1 p.m. on July 1, 2006, for the “Parade of Sails”; and from 10:30 a.m. to 5:30 p.m. on July 3, 2006 for the “Tall Ships Race”. If the “Tall Ships Race” is postponed due to inclement weather, then the proposed temporary special local regulations will be enforced the same time period during one of the next two days, July 4, 2006 through July 5, 2006.

Dated: March 3, 2006.

Larry L. Hereth,

Rear Admiral, U.S. Coast Guard, Commander,
Fifth Coast Guard District.

33 CFR Part 165

[CGD09-06-004]

RIN 1625-AA00

Safety Zone; Greater Cleveland Area Triathlon

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes the establishment of a safety zone for the annual Greater Cleveland area Triathlon located in the Captain of the Port Buffalo Zone. This safety zone is necessary to provide for the safety of life during the swimming portion of this event. This action is intended to restrict vessel traffic within the immediate vicinity of the event from 6 a.m. (local) until noon (local) on the 12th and 13th of August 2006.

DATES: Comments and related material must reach the Coast Guard on or before April 21, 2006.

ADDRESSES: You may mail comments and related material to MSU Cleveland, 1055 East 9th Street, Cleveland, OH 44114. MSU Cleveland maintains the public docket for this rule making. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket CGD09-06-004, will become part of this docket and will be available for inspection or copying at MSU Cleveland, 1055 East 9th Street, Cleveland, OH 44114 between 8 a.m. and 3:30 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Lieutenant Nicole Starr, U.S. Coast Guard Marine Safety Unit Cleveland, at (216) 937-0128.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. If you do so, please include your name and address, identify the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and give the reason

for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know that your submission reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to the address under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

This safety zone is necessary to manage vessel traffic in order to provide for the safety of life and property on navigable waters during the event. The combination of swimmers and the large number of inexperienced, recreational boaters that transit this area could easily result in serious injuries or fatalities.

Discussion of Proposed Rule

This safety zone is necessary to provide for the safety of life on navigable waters during the swimming portion of this event. This action is intended to restrict vessel traffic within the immediate vicinity of the event in a portion of Lake Erie. This safety zone is extending the currently established swim zone at Headlands Beach State Park in Painesville Township, Ohio. The safety zone will include all waters of Lake Erie within a line drawn from 41°45'19" N, 081°17'38" W to 41°45'22" N, 081°17'46" W then easterly to 41°45'55" N, 081°17'09" W and thence to 41°45'50" N, 081°17'01" W then following the shoreline to origin. These coordinates are based on North American Datum 1983 (NAD 83). The Coast Guard will notify the public in advance by way of Ninth Coast Guard District Local Notice to Mariners, Marine Information Broadcasts, and for those who request it from Marine Safety Unit Cleveland, by facsimile.

Regulatory Evaluation

This proposed rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not

reviewed this rule under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this rule to be so minimal that a full regulatory evaluation under paragraph 10(e) of the regulatory policies and procedures of DHS is unnecessary.

This determination is based on the size and location of the safety zone within the water. Vessels will not be allowed to transit through the designated safety zone only during the specified times.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities.

This rule would affect the following entities, some of which might be small entities: the owners or operators of commercial vessels intending to transit a portion of the activated safety zone.

This safety zone would not have a significant economic impact on a substantial number of small entities for the following reasons: the proposed zone is only in effect for 6 hours on the days of the event. Before the activation of the safety zone, the Coast Guard will issue maritime advisories available to users who may be impacted through notification in the **Federal Register**, the Ninth District Coast Guard Local Notice to Mariners, Marine Information Broadcasts and when requested by facsimile.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offered to assist small entities in understanding this rule so that they can better evaluate its effects and participate
