Katharine Huang, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone; (202) 482-1271.

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce ("The Department") published the preliminary results of the administrative review and new shipper reviews of the antidumping duty order on fresh garlic from the People's Republic of China covering the period November 1, 2003, through October 31, 2004, on November 18, 2005. See *Fresh Garlic from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Results of New Shipper Reviews*, 70 FR 69942 (November 18, 2005) ("*Preliminary Results*").

Extension of Time Limits for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), and section 351.213(h)(1) of the Department's regulations, the Department shall issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of the date of publication of the antidumping duty order. The Act further provides that the Department shall issue the final results of review within 120 days after the date on which the notice of the preliminary results was published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days and the 120-day period to 180 days. We have determined that it is not practicable to complete

these reviews by March 18, 2006.¹ Several significant issues were raised in the briefs which warrant further analysis, including the "intermediate-product valuation methodology," which we applied in the *Preliminary Results*, and the surrogate value for garlic bulbs (*i.e.*, the intermediate product). For these reasons, the Department is extending the time limit for the completion of these final results by 30 days until no later than Monday, April 17, 2006, which is 150 days from the date on which the notice of the *Preliminary Results* was published.

This notice is issued and published in accordance with section 751(a)(3)(A) and 777(i) of the Act.

Dated: March 16, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Certain Frozen Warmwater Shrimp from the People's Republic of China: Initiation of New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 23, 2006.

SUMMARY: The Department of Commerce ("Department") has determined that a request to conduct a new shipper review of the antidumping duty order on frozen warmwater shrimp from the People's Republic of China ("PRC"), received on February 22, 2006, meets the statutory and regulatory requirements for initiation. Therefore, in accordance with 19 CFR 351.214(d), we are initiating a new shipper review for Hai Li Aquatic Co., Ltd. Zhao An, Fujian (also known as Haili Aquatic Co. Ltd. Zhaoan, Fujian) ("Hai Li"). The period of review ("POR") for this new shipper review is July 16, 2004, through January 31, 2006.¹

¹ As noted in the *Preliminary Results*, the two new shipper respondents and the petitioners agreed to waive the time limits applicable to the new shipper reviews and to permit the Department to conduct the new shipper reviews concurrently with the administrative review.

² The antidumping duty order for certain frozen warmwater shrimp from PRC was published on February 1, 2005. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp From the People's Republic of*

SUPPLEMENTARY INFORMATION:**Background**

The notice announcing the antidumping duty order on certain frozen warmwater shrimp from the PRC was published on February 1, 2005. See *PRC Shrimp Order*. The Department received a timely request from Hai Li on February 22, 2006, pursuant to section 751(a)(2)(B) of the Tariff Act of 1930, as amended ("the Act"), and in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on frozen warmwater shrimp from the PRC.

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(I), Hai Li certified that it did not export frozen warmwater shrimp to the United States during the period of investigation ("POI"). In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Hai Li certified that, since the initiation of the investigation, it has never been affiliated with any Chinese exporter or producer who exported frozen warmwater shrimp to the United States during the POI, including those not individually examined during the investigation. As required by 19 CFR 351.214(b)(2)(iii)(B), Hai Li also certified that its export activities were not controlled by the central government of the PRC.

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), Hai Li submitted documentation establishing the following: (1) the date on which it first shipped frozen warmwater shrimp for export to the United States and the date on which the frozen warmwater shrimp was first entered, or withdrawn from warehouse, for consumption; (2) the volume of its first shipment (and certification of no subsequent shipments); and (3) the date of its first sale to an unaffiliated customer in the United States.

The Department conducted customs database queries to confirm that Hai Li's shipment of subject merchandise during the POR had entered the United States

for consumption and had been suspended for antidumping duties.

Initiation of New Shipper Reviews

Pursuant to section 751(a)(2)(B) of the Act, and 19 CFR 351.214(d)(1), we find that the request made by Hai Li, a producer and exporter, meets the threshold requirements for the initiation of a new shipper review for the shipment of frozen warmwater shrimp from the PRC. See Memorandum to the File through James C. Doyle, Director, AD/CVD Operations, Office 9, from Christopher D. Riker, Program Manager, AD/CVD Operations, Office 9: *New Shipper Initiation Checklist*, dated March 17, 2006).

The POR for this new shipper review is July 16, 2004, through January 31, 2006. See 19 CFR 351.214(g)(1)(ii)(A). We intend to issue preliminary results of this review no later than 180 days from the date of initiation, and final results of this review no later than 270 days from the date of initiation. See section 751(a)(2)(B)(iv) of the Act.

Because Hai Li has certified that it produced and exported the frozen and warmwater shrimp on which it based its request for a new shipper review, we will instruct U.S. Customs and Border Protection to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for each entry of frozen warmwater shrimp that was both produced and exported by Hai Li until the completion of the new shipper review, pursuant to section 751(a)(2)(B)(iii) of the Act.

Interested parties needing access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a) of the Act and 19 CFR 351.214(d).

Dated: March 17, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Certain Hot-Rolled Carbon Steel Flat Products From Thailand: Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* March 23, 2006.

FOR FURTHER INFORMATION CONTACT: Stephen Bailey, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0193.

SUPPLEMENTARY INFORMATION:**Background**

On December 9, 2005, the Department of Commerce ("the Department") published the preliminary results of the administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products ("hot-rolled steel") from Thailand covering the period November 1, 2003, through October 31, 2004. See *Certain Hot-Rolled Carbon Steel Flat Products From Thailand; Preliminary Results of Antidumping Duty Administrative Review and Intent to Revoke and Rescind in Part*, 70 FR 73197 (December 9, 2005). The final results for the antidumping duty administrative review of hot-rolled steel from Thailand are currently due no later than April 10, 2006.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an antidumping duty order for which a review is requested and issue the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Due to the complexity of the revocation issue present in this administrative review, as well as the

China, 70 FR 5149 (February 1, 2005) ("*PRC Shrimp Order*"). Therefore, a request for a new shipper review based on the anniversary month, February, was due to the Department by the final day of February 2006. See 19 CFR 351.214(d)(1).
