Federal Aviation Administration

Notice of Opportunity for Public Comment on Surplus Property Release at Augusta Regional Airport, Augusta, GA

AGENCY: Federal Aviation
Administration (FAA), DOT.

ACTION: Notice.

SUMMARY: Under the provisions of Title 49, U.S.C. 47153(c), notice is being given that the FAA is considering a request from the Augusta Aviation Commission and the Augusta Regional Airport to waive the requirement that a 4.31-acre parcel of surplus property, located at the Augusta Regional Airport, be used for aeronautical purposes.

DATES: Comments must be received on or before May 8, 2006.

ADDRESSES: Comments on this notice may be mailed or delivered in triplicate to the FAA at the following address: Atlanta Airports District Office, Attn: Aimee A. McCormick, Program Manager, 1701 Columbia Ave., Campus Bldg., Suite 2-260, Atlanta, GA 30337-2747.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to Mr. Buster Boshears, Executive Director, Augusta Regional Airport at the following address: 1501 Aviation Way, Augusta, GA 30906.

FOR FURTHER INFORMATION CONTACT: Aimee McCormick, Program Manager, Atlanta Airports District Office, 1701 Columbia Ave., Campus Bldg., Suite 2-260, Atlanta, GA 30337-2747, (404) 305-7143. The application may be reviewed in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA is reviewing a request by the Augusta Aviation Commission and the Augusta Regional Airport to release 4.31 acres of surplus property at the Augusta Regional Airport. The property will be purchased as a permanent easement to construct a force gravity sewer main and additional future utility lines. The net proceeds from the sale of this property will be used for airport purposes. The proposed use of this property is compatible with airport operations.

Any person may inspect the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, upon request, inspect the request, notice and other documents germane to the request in person at the Augusta Aviation Commission and the August Regional Airport.

Issued in Atlanta, Georgia, on March 20, 2006.

Scott L. Seritt,

Manager, Atlanta Airports District Office,
Southern Region.

Federal Aviation Administration

Receipt of Noise Compatibility Program and Request for Review; Columbia Metropolitan Airport, Columbia, SC

AGENCY: Federal Aviation
Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration (FAA) announces that it is reviewing a proposed noise compatibility program that was submitted for Columbia Metropolitan Airport under the provisions of 49 U.S.C. 47501 et seq. (the Aviation Safety and Noise Abatement Act hereinafter referred to as "the Act") and 14 CFR part 150 by the Richland-Lexington Airport District. This program was submitted subsequent to a determination by FAA that the associated noise exposure maps submitted under 14 CFR part 150 for Columbia Metropolitan Airport were in compliance with applicable requirements effective July 29, 2005. The proposed noise compatibility program will be approved or disapproved on or before September 18, 2006.

DATES: Effective Date: The effective date of the start of FAA's review of the associated noise compatibility program is March 22, 2006. The public comment period ends May 22, 2006.

FOR FURTHER INFORMATION CONTACT: Ms. Bonnie Baskin, Federal Aviation Administration, Atlanta Airports District Office, 1702 Columbia Avenue, Campus Building, Suite 2-260, College Park, Georgia, (404) 305-7152. Comments on the proposed noise compatibility program should also be submitted to the above office.

SUPPLEMENTARY INFORMATION: This notice announces that the FAA is

reviewing a proposed noise compatibility program for Columbia Metropolitan Airport that will be approved or disapproved on or before September 18, 2006. This notice also announces the availability of this program for public review and comment.

An airport operator who has submitted noise exposure maps that are found by FAA to be in compliance with the requirements of Federal Aviation Regulations (FAR) part 150, promulgated pursuant to the Act, may submit a noise compatibility program for FAA approval which sets forth the measure the operator has taken or proposes to reduce existing non-compatible uses and prevent the introduction of additional non-compatible uses.

The FAA has formally received the noise compatibility program for Columbia Metropolitan Airport, effective on March 22, 2006. The airport operator has requested that the FAA review this material and that the noise mitigation measures, to be implemented jointly by the airport and surrounding communities, be approved as a noise compatibility program under section 47504 of the Act. Preliminary review of the submitted material indicates that it conforms to the requirements for the submittal of noise compatibility programs, but that further review will be necessary prior to approval or disapproval of the program. The formal review period, limited by law to a maximum of 180 days, will be completed on or before September 18, 2006.

The FAA's detailed evaluation will be conducted under the provisions of 14 CFR part 150, section 150.33. The primary considerations in the evaluation process are whether the proposed measures may reduce the level of aviation safety or create an undue burden on interstate or foreign commerce, and whether they are reasonably consistent with obtaining the goal of reducing existing non-compatible land uses and preventing the introduction of additional non-compatible land uses.

Interested persons are invited to comment on the proposed program with specific reference to these factors. All comments relating to these factors, other than those properly addressed to local land use authorities, will be considered by the FAA to the extent practicable. Copies of the noise exposure maps, the FAA's evaluation of the maps, and the proposed noise compatibility program are available for examination at the following location: Federal Aviation Administration, Atlanta Airports

District Office, 1701 Columbia Avenue, Campus Building 2-260, College Park, Georgia 30337. Questions may be directed to the individual named above under the heading, **FOR FURTHER INFORMATION CONTACT**.

Issued in Atlanta, Georgia, March 22, 2006.
Scott L. Seritt,
 Manager, Atlanta Airports District Office.

FOR FURTHER INFORMATION CONTACT: Dr. Mary D. Gunnels, Chief, Physical Qualifications Division, (202) 366-4001, maggi.gunnels@dot.gov, FMCSA, Department of Transportation, 400 Seventh Street, SW., Washington, DC 20590-0001. Office hours are from 8 a.m. to 5 p.m., e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Background

Under 49 U.S.C. 31315 and 31136(e), FMCSA may grant an exemption for a 2-year period if it finds "such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption." The statute also allows the agency to renew exemptions at the end of the 2-year period. The individual listed in this notice has recently requested an exemption from the diabetes prohibition in 49 CFR 391.41(b)(3), which applies to drivers of CMVs in interstate commerce. Accordingly, the agency will evaluate the qualifications of this applicant to determine whether granting the exemption will achieve the required level of safety mandated by the statute.
