The Department notes that if any of the due dates for separate rate filings and/or Q&V responses fall on a weekend, holiday, or any other day the Department is closed, the due date will be the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). All information submitted by respondents in this administrative review is subject to verification. As discussed above, due to the large number of parties in these proceedings, and the Department's need to complete its proceedings within the statutory deadlines, the Department will be limited in its ability to extend deadlines on the above submissions. As noted above, the separate rate certification, the separate rate status application, and the Q&V questionnaire will be available on the Department's Web site at <http://ia.ita.doc.gov/> on April 3, 2006.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. Instructions for filing such applications may be found on the Department's website at <http://ia.ita.doc.gov/>.

This initiation and notice are in accordance with section 751(a)(1) of the Act and 19 CFR 351.221(c)(1)(i).

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") received timely requests to conduct administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp ("shrimp") from Brazil, Ecuador, India and Thailand. The anniversary month of these orders is February. In accordance with the Department's regulations, we are initiating these administrative reviews.

EFFECTIVE DATE: April 7, 2006.

FOR FURTHER INFORMATION CONTACT: Kate Johnson at (202) 482-4929 (Brazil), David Goldberger at (202) 482-4136 (Ecuador), Elizabeth Eastwood at (202) 482-3874 (India) and Irina Itkin at (202) 482-0656 (Thailand), AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department received timely requests from Petitioners¹ and certain individual companies, in accordance with 19 CFR 351.213(b), during the anniversary month of February, for administrative reviews of the antidumping duty orders on shrimp from Brazil, Ecuador, India, and Thailand covering 54 companies for

Brazil, 72 companies for Ecuador, 348 companies for India, and 145 companies for Thailand. Subsequently, Petitioners withdrew one request for review for Ecuador. See Petitioners' letter dated March 1, 2006. On March 16, 2006, the Department issued a memorandum detailing Department officials' communications with Petitioners' counsel regarding concerns about the names and addresses of certain companies included in Petitioners' request for administrative reviews. See *Memorandum to the File, from Irene Darzenta Tzafolias, Acting Director, AD/CVD Operations, Office 2, Re: Conversation with Petitioners' Counsel Concerning Petitioners' Requests for Administrative Reviews*, dated March 16, 2006. On March 21, 2006, the Petitioners submitted a letter addressing the items outlined in the Department's memorandum of March 16, 2006. In their letter Petitioners withdrew their request for review of certain companies.² On March 29, 2006, we received letters from certain companies in Ecuador and India which were named in Petitioners' review requests, alleging certain errors in the review requests. These letters were not received in time for full consideration prior to the Department's initiation of these reviews. The Department is now initiating administrative reviews of the orders covering the remaining 50 companies for Brazil, 71 companies for Ecuador, 347 companies for India, and 145 companies for Thailand.

Initiation of Reviews

In accordance with section 751(a)(1) of the Tariff Act of 1930, as amended ("the Act"), we are initiating administrative reviews of the antidumping duty orders on shrimp from Brazil, Ecuador, India and Thailand. We intend to issue the final results of these reviews not later than February 28, 2007.

** In the original investigation, the Department found that the following companies comprised a single entity: Union Frozen Products Co., Ltd. and Bright Sea Co., Ltd.

***Petitioners' requests for review included certain companies with identical names but different addresses. For purposes of initiation, we have treated these companies as separate entities.

****Petitioners requested that the Department conduct an administrative review of this company, but provided two different addresses for the same company. According to the record of the less-than-fair-value investigation, one of the addresses pertains to the company's office and the other pertains to the plant/factory. See the memorandum from The Team to the File entitled "Placing Information on the Record of the 2004-2006 Administrative Review on Certain Frozen Warmwater Shrimp from Thailand," dated March 31, 2006.

Selection of Respondents

Section 777A(c)(1) of the Act directs the Department to calculate individual dumping margins for each known exporter and producer of the subject merchandise. Where it is not practicable to examine all known producers/exporters of subject merchandise because of the large number of such companies, section 777A(c)(2) of the Act permits the Department to limit its examination to either: (1) a sample of exporters, producers or types of products that is statistically valid based on the information available at the time of selection; or (2) exporters and producers accounting for the largest volume of subject merchandise from the exporting country that can be reasonably examined.

Due to the large number of firms requested for these administrative reviews and the resulting administrative

burden to review each company for which a request has been made, the Department is considering exercising its authority to limit the number of respondents selected for review. See section 777A(c)(2) of the Act.

The Department has not yet determined the appropriate methodology to employ in limiting respondent selection. As described above, the Department may use a statistically valid sample or select the largest exporters and producers, by volume. Should the Department determine to sample the exporters, it will employ the following procedures: the Department will 1) issue a letter to the interested parties detailing the proposed sampling methodology; 2) after analyzing the parties' comments, finalize its sampling methodology; 3) notify the parties and invite them to send a representative to witness the

sampling selection; 4) conduct the sampling exercise; 5) notify all interested parties of the selection outcome of the sampling exercise (selected respondents will be issued the full antidumping questionnaire); and 6) record the results in a memorandum to the file.

Withdrawal of Request For Administrative Review

Section 351.213(d)(1) of the Department's regulations provides that the Secretary will rescind an administrative review if the party that requested the review withdraws the request within 90 days of the date of publication of the notice in the **Federal Register**. Although the regulation provides that the Secretary may extend this deadline, it is unlikely that the Department will be able to grant any such extensions for these particular administrative reviews, due to the time

constraints imposed by our statutory deadlines.⁴

Quantity and Value ("Q&V") Questionnaire

In advance of issuance of the antidumping questionnaire, we will also be requiring all parties for whom a review is requested to respond to a Q&V questionnaire, which will request information on the respective quantity and U.S. dollar sales value of all exports of shrimp to the United States during the period August 4, 2004, through January 31, 2006. The Q&V questionnaire will be available on the Department's website at <http://ia.ita.doc.gov/> on April 3, 2006. The responses to the Q&V questionnaire are due to the Department by close of business on April 28, 2006. Due to the time constraints imposed by our statutory and regulatory deadlines, the Department may be unable to grant any extensions for the submission of the Q&V questionnaire responses. In responding to the Q&V questionnaire, please refer to the instructions contained in the Q&V questionnaire.

Notice

This notice constitutes public notification to all firms requested for review that a complete response to the Q&V questionnaire, within the time limits established in this notice of initiation is required in order for such information to receive consideration. For parties that fail to timely respond to the Q&V questionnaire, the Department may resort to the use of facts otherwise available, and may employ an adverse inference if the Department determines that the party failed to cooperate by not acting to the best of its ability. All information submitted by respondents in these administrative reviews is subject to verification. As discussed above, due to the large number of parties in these proceedings, and the Department's need to complete its proceedings within the statutory deadlines, the Department will be limited in its ability to extend deadlines on the above submissions. As noted above, the Q&V questionnaire will be available on the Department's website at <http://ia.ita.doc.gov/> on April 3, 2006.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. Instructions for filing such applications may be found on the Department's website at <http://ia.ita.doc.gov/>.

SUPPLEMENTARY INFORMATION:

Rescission of Review

In August 2004, the petitioner, the Southern Tier Cement Committee, requested a review of the antidumping duty order on gray portland cement and clinker from Mexico with respect to sales by CEMEX, S.A. de C.V. (CEMEX), and CEMEX's affiliate, GCC Cemento, S.A. de C.V. (GCCC), during the period August 1, 2004, through July 31, 2005. In addition, in August 2005, CEMEX and GCCC requested reviews of their sales for the same period. On September 28, 2005, the Department published in the **Federal Register** a notice of initiation of this administrative review. See *Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews, Request for Revocation in Part and Deferral of Administrative Review* (70 FR 56631).

On March 6, 2006, the petitioner, CEMEX, and GCCC withdrew their requests for review and requested that the Department rescind the administrative review.

Compromise of Outstanding Claims

On March 6, 2006, the Office of the United States Trade Representative, the United States Department of Commerce,

and Secretaria de Economia of the Government of Mexico entered into an Agreement on Trade in Cement (Agreement). Effective April 3, 2006, the Agreement compromises all claims to outstanding duties from August 1, 2004, through April 2, 2006, pursuant to Section 617 of the Tariff Act of 1930, as amended (the Act). In accordance with the terms of the Agreement, all parties that requested this administrative review (*i.e.*, the petitioner, CEMEX, and GCCC) have submitted letters withdrawing their requests for an administrative review. See Section II. 7.a. and Appendix 9 of the Agreement. Also, see letter from CEMEX to the Department dated March 6, 2006, letter from GCCC to the Department dated March 6, 2006, and letter from the petitioner to the Department dated March 6, 2006. Section 351.213(d)(1) of the Department's regulations states that the Department will rescind an administrative review if a party requesting the review withdraws the request within 90 days of the publication of the notice of initiation. Further, 19 CFR 351.213(d)(1) allows the Department to extend the 90-day deadline if it considers it reasonable to do so. These requests are past the 90-day time limit but we find that it is reasonable to extend the deadline. Therefore, we are rescinding the review of the period August 1, 2004, through July 31, 2005.

In accordance with the terms of the Agreement, we will instruct U.S. Customs and Border Protection (CBP) to liquidate entries of cement produced or exported by CEMEX and GCCC which entered the United States during the period August 1, 2004, through July 31, 2005, at a rate of ten U.S. cents (\$0.10) per metric ton. Further, because the Agreement compromises all claims through April 2, 2006, we will instruct CBP to liquidate entries of cement produced or exported by CEMEX and GCCC which entered the United States during the period August 1, 2005, through April 2, 2006, at a rate of ten U.S. cents (\$0.10) per metric ton.

This notice is in accordance with section 777(i) of the Act and 19 CFR 351.213(d)(4).

Dated: April 3, 2006.

David M. Spooner,

Assistant Secretary for Import Administration.
