**Submission for OMB Review; Comment Request; National Survey of Primary Care Physicians' Recommendations and Practice for Breast, Cervical, Colorectal, and Lung Cancer Screening**

**SUMMARY:** Under the provisions of section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH), National Cancer Institute (NCI), has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on January 20, 2006, page 3309 and allowed 60-days for public comment. No public comments were received. The purpose of this notice is to allow an additional

30 days for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

*Proposed Collection: Title:* National Survey of Primary Care Physicians' Recommendations and Practice for Breast, Cervical, Colorectal, and Lung Cancer Screening. *Type of Information Collection Request:* New. *Need and Use of Information Collection:* This study will obtain current, national data on primary care physicians' knowledge, attitudes, recommendations, and practices related to screening for breast, cervical, colorectal, and lung cancer. There have been substantial changes in guidelines and/or technologies for these types of cancer screening in recent years. The data collected in this study will support and further NCI work in monitoring and evaluating providers' cancer control knowledge, attitudes, and practices and their impact on population health, as well as enable monitoring of progress toward major cancer control goals. Two questionnaires, one covering breast and cervical cancer screening and the other colorectal and lung cancer screening, will be administered by mail or telephone to a randomly-selected national sample of primary care physicians. *Frequency of Response:* One Time. *Affected Public:* Medical practices, clinics, or other health care organizations. *Type of Respondents:* Primary Care Physicians. *Burden estimates* are as follows:

Questionnaire	Estimated number of respondents	Estimated number of responses per respondent	Average burden hours per response	Estimated total annual burden hours
Breast & cervical cancer screening .....	1250	1	0.333	416.25
Colorectal & lung cancer screening .....	1250	1	0.333	416.25
Total .....	.....	.....	.....	832.5

There are no Capital Costs to report. There are no Operating or Maintenance Costs to report.

*Request for Comments:* Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (a) Whether the proposed collection of information is necessary for the performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

*Direct Comments to OMB:* Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget, Office of Regulatory Affairs, New Executive Office Building, Room 10235, Washington, DC 20503, Attention: Desk Officer for NIH. To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact: Dr. Carrie Klabunde, Epidemiologist, Division of Cancer Control and Population Sciences, National Cancer Institute, Executive Plaza North 4005, 6130 Executive Boulevard, Bethesda, Maryland 20892-7344 or call non-toll-free 301-402-3362 or E-mail your request, including your address, to: [klabundc@mail.nih.gov](mailto:klabundc@mail.nih.gov).

*Comments Due Date:* Comments regarding this information collection are best assured of having their full effect if received within 30-days of the date of this publication.

Dated: April 4, 2006.
