

small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, because civilian agencies (excluding NASA and Coast Guard) will no longer have the authority to apply the price evaluation adjustment to benefit certain small disadvantaged business concerns in competitive acquisitions. However, not all of these small disadvantaged businesses will be affected because the price evaluation adjustment is authorized only for specific NAICS codes. The price evaluation adjustment is still authorized for the Department of Defense, U.S. Coast Guard, and National Aeronautics and Space Administration. The rule will positively impact certain large and small entities in specific NAICS codes competing with certain small disadvantaged business concerns in competitive acquisitions wherein the price evaluation adjustment could have applied if the authority had not expired. There will be a negative impact on a number of small disadvantaged businesses in competitive acquisitions for certain NAICS codes wherein the price evaluation adjustment authority could have applied.

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

SUPPLEMENTARY INFORMATION:

A. Background

The USTR has issued a determination removing the sanctions against Austria, Belgium, Denmark, Finland, France, Ireland, Italy, Luxembourg, the Netherlands, Sweden, and the United Kingdom (71 FR 10093). These sanctions were put in place in 1993 and apply only to acquisitions not covered by the WTO GPA (*i.e.*, end products with an estimated acquisition value less than \$193,000, construction with an estimated acquisition value less than \$7,407,000, or services that are excluded from coverage by the WTO GPA). These sanctions did not apply to acquisitions by the Department of Defense.

This interim rule removes FAR Subpart 25.6, Trade Sanctions, and the clauses at FAR 52.225-15, Sanctioned European Union Country End Products, and 52.225-16, Sanctioned European Union Country Services, and other associated references in FAR Part 25.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The interim rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because this rule only removes sanctions from end products from sanctioned EU countries with an estimated acquisition value less than \$193,000, sanctioned EU country construction with an estimated acquisition value less than \$7,407,000, or sanctioned EU country services that are excluded from coverage by the World Trade Organization Government Procurement Agreement. These sanctions did not apply to small business set-asides, to acquisitions below the simplified acquisition threshold using simplified acquisition procedures, or to acquisitions by the Department of Defense. Therefore, an Initial Regulatory Flexibility Analysis has not been performed. The Councils will consider comments from small entities concerning the affected FAR Parts 25 and 52 in accordance with 5 U.S.C. 610. Interested parties must

submit such comments separately and should cite 5 U.S.C 601, *et seq.* (FAC 2005–09, FAR case 2005–045), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense (DoD), the Administrator of General Services (GSA), and the Administrator of the National Aeronautics and Space Administration (NASA) that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary because the removal of these sanctions went into effect March 1, 2006. However, pursuant to Public Law 98–577 and FAR 1.501, the Councils will consider public comments received in response to this interim rule in the formation of the final rule.
