**SUPPLEMENTARY INFORMATION:****Introduction**

On June 24, 1996, at 61 FR 32411, we published a notice that discussed in full the rulemaking history of 49 CFR part 594 and the fees authorized by the Imported Vehicle Safety Compliance Act of 1988, Public Law 100-562, since recodified as 49 U.S.C. 30141-47. The reader is referred to that notice for background information relating to this rulemaking action. Certain fees were initially established to become effective January 31, 1990, and have been in effect and occasionally modified since then.

The fees applicable in any fiscal year are to be established before the beginning of such year. We are proposing fees that would become effective on October 1, 2006, the beginning of FY 2007. The statute authorizes fees to cover the costs of the importer registration program, to cover the cost of making import eligibility decisions, and to cover the cost of processing the bonds furnished to the Department of Homeland Security (Customs). We last amended the fee schedule in 2004. See final rule published on September 28, 2004 at 69 FR 57869. Those fees apply to Fiscal Years 2005 and 2006.

The proposed fees are based on time and costs associated with the tasks for which the fees are assessed and reflect the slight increase in hourly costs in the past two fiscal years attributable to the approximately 3.71 and 3.44 percent raises (including the locality adjustment for Washington, DC) in salaries of employees on the General Schedule that became effective on January 1, 2005, and on January 1, 2006, respectively.

**Requirements of the Fee Regulation****Section 594.6—Annual Fee for Administration of the Importer Registration Program**

Section 30141(a)(3) of Title 49, U.S. Code provides that RIs must pay the annual fees established " \* \* \* to pay for the costs of carrying out the registration program for importers. \* \* \* " This fee is payable both by new applicants and by existing RIs. To maintain its registration, each RI, at the time it submits its annual fee, must also
