

antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the review by the current deadline of May 3, 2006, due to the complexity involved in calculating normal value, specifically the Department's calculations for constructed value (CV). We have requested additional information regarding selling expenses and profit for the computation of CV and we will need additional time to analyze the response and issue any supplemental questionnaires on this matter, if necessary. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for the preliminary results until no later than August 24, 2006, which is 358 days after the last day of the anniversary month of the date of publication of the order. The final results continue to be due 120 days after the publication of the preliminary results, in accordance with section 351.213(h) of the Department's regulations.

This notice is published in accordance to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: April 18, 2006.
