This notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Public Housing Operating Fund—Stop Loss and Appeals.

OMB Control Number: Pending.

Description of the need for the information and proposed use: PHAs that will experience a reduction in subsidy will have their subsidy reduction phased in over a five-year period. PHAs that elect to stop the phase in of the decrease in their subsidy are required to demonstrate to HUD a successful conversion to asset management, as provided in the operating fund final rule. A PHA with a reduction in subsidy may make this demonstration to HUD in order to "stop its losses" during any one of the five years over which HUD phases in the reduction. Under the operating fund final rule, PHAs that elect to file an appeal of their subsidy amounts are required to meet the appeal requirements set forth in subpart G of the operating fund final rule. The final rule establishes five grounds for appeals in 24 CFR 990.245 and they are the: (a)

Streamlined appeal; (b) appeal of formula income for economic hardship; (c) appeal for specific local conditions; (d) appeal for changing market conditions; and (e) appeal to substitute actual project cost data. To stop the phase-in of the reduction in the amount of subsidy a PHA receives under the new operating fund formula, PHAs submit a "stop loss" package to HUD demonstrating conversion to asset management. To appeal the amount of subsidy on any one of the permitted bases of appeal, PHAs submit an appeal request to HUD.

Agency form number, if applicable: N/A.

Members of affected public: Public housing agencies.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: The estimated number of respondents is 805 PHAs that submit one request for stop loss and 1,255 PHAs that submit an appeal of the amount of operating subsidy, for a total 2,060 PHAs that submit annually. The average number for each PHA response varies by size of the PHA, with a total reporting burden of 36,025 hours: An average of 20.37 hours per respondent for stop loss; and an average of 11.71 hours per respondent for appeals.

Status of the proposed information collection: New collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: April 24, 2006.

Bessy Kong,

Deputy Assistant Secretary for Policy, Program and Legislative Initiatives.
