Title II Reporting Forms on Teacher Quality and Preparation.

*Frequency:* Annually.*Affected Public:* State, Local, or Tribal Gov't, SEAs or LEAs; not-for-profit institutions.*Reporting and Recordkeeping Hour Burden:**Responses:* 1,309.*Burden Hours:* 121,632.*Abstract:* The Higher Education Act of 1998 calls for annual reports from states and institutions of higher education (IHE) on the quality of teacher education and related matters (Pub. L. 105-244, section 207:20 U.S.C. 1027). The purpose of the reports is to provide greater accountability in the preparation of America's teaching forces and to provide information and incentives for its improvement. Most IHEs that have teacher preparation programs must report annually to their states on the performance of their program completers on teacher certification tests. States, in turn, must report test performance information, institution by institution, to the Secretary of Education, along with institution rankings. They must also report on their requirements for licensing teachers, state standards, alternative routes to certifications, waivers, and related items.Requests for copies of the information collection submission for OMB review may be accessed from <http://edicsweb.ed.gov>, by selecting the "Browse Pending Collections" link and by clicking on link number 2975.
