BILLING CODE 4910-60-M

DEPARTMENT OF THE TREASURY

Office of the Comptroller of the Currency

FEDERAL RESERVE SYSTEM

FEDERAL DEPOSIT INSURANCE CORPORATION

Effect of the Federal Deposit Insurance Reform Act on the Consolidated Reports of Condition and Income

AGENCIES: Office of the Comptroller of the Currency (OCC), Treasury; Board of Governors of the Federal Reserve System (Board); and Federal Deposit Insurance Corporation (FDIC).

ACTION: Joint notice and request for comment.

SUMMARY: The Federal Financial Institutions Examination Council (FFIEC), of which the agencies are members, has approved the agencies' publication of this notice announcing the effect of the Federal Deposit Insurance Reform Act on the reporting of certain deposit-related data in the Consolidated Reports of Condition and Income (Call Report; FFIEC 031 and 041). Because the deposit insurance coverage for certain retirement plan deposits has increased from \$100,000 to \$250,000 while the insurance limit for deposit accounts in other ownership

capacities has remained at \$100,000, data will begin to be reported separately for the number and amount of retirement deposit accounts with balances within and in excess of the new \$250,000 insurance limit. The instructions for reporting estimated uninsured deposits by banks with \$1 billion or more in total assets and for reporting brokered deposits will be revised to reflect the new insurance limit for retirement deposit accounts. In addition, with the merger of the insurance funds administered by the FDIC, items in which banks with "Oakar deposits" have reported information on purchases and sales of deposits are no longer needed and will be eliminated. These reporting changes will take effect in the Call Report for June 30, 2006. In a separate action, the agencies have decided not to implement two new credit-derivative-related items that were to be added to the Call Report on September 30, 2006.

DATES: Comments must be submitted on or before May 22, 2006.

ADDRESSES: Interested parties are invited to submit written comments to any or all of the agencies. All comments, which should refer to the Office of Management and Budget (OMB) control number(s), will be shared among the agencies.
