

B. What Should I Consider as I Prepare My Comments for EPA?

1. *Submitting CBI.* Do not submit this information to EPA through [regulations.gov](http://www.regulations.gov) or e-mail. Clearly mark the part or all of the information that you claim to be CBI. For CBI information in a disk or CD ROM that you mail to EPA, mark the outside of the disk or CD ROM as CBI and then identify electronically within the disk or CD ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for preparing your comments.* When submitting comments, remember to:

- i. Identify the document by docket ID number and other identifying information (subject heading, **Federal Register** date and page number).
- ii. Follow directions. The Agency may ask you to respond to specific questions or organize comments by referencing a Code of Federal Regulations (CFR) part or section number.
- iii. Explain why you agree or disagree; suggest alternatives and substitute language for your requested changes.
- iv. Describe any assumptions and provide any technical information and/or data that you used.
- v. If you estimate potential costs or burdens, explain how you arrived at your estimate in sufficient detail to allow for it to be reproduced.
- vi. Provide specific examples to illustrate your concerns and suggest alternatives.
- vii. Explain your views as clearly as possible, avoiding the use of profanity or personal threats.
- viii. Make sure to submit your comments by the comment period deadline identified.

II. What Action is the Agency Taking?

EPA is printing a summary of a pesticide petition received under section 408 of the Federal Food, Drug, and Cosmetic Act (FFDCA), 21 U.S.C. 346a, proposing the establishment of regulations in 40 CFR part 180.593 for residues of famoxadone in or on grapes and hops. EPA has determined that this pesticide petition contains data or information regarding the elements set forth in FFDCA section 408(d)(2); however, EPA has not fully evaluated the sufficiency of the submitted data at

this time or whether the data support granting of the pesticide petition. Additional data may be needed before EPA rules on this pesticide petition.

Pursuant to 40 CFR 180.7(f), a summary of the petition included in this notice, prepared by the petitioner along with a description of the analytical method available for the detection and measurement of the pesticide chemical residues is available on EPA's Electronic Docket at <http://www.regulations.gov>. To locate this information on the home page of EPA's Electronic Docket, select "Quick Search" and type the OPP docket ID number. Once the search has located the docket, clicking on the "Docket ID" will bring up a list of all documents in the docket for the pesticide including the petition summary.

Needs and Uses: The Commission is seeking emergency processing of this revised information collection by May 16, 2006.

On April 25, 2006, the Commission adopted and released a *Second Report and Order and Second Further Notice of Proposed Rulemaking* in FCC 06-52, WT Docket No. 05-211. This rulemaking will become effective thirty days after publication in the **Federal Register**. The Commission adopted this rulemaking governing whether applicants to participate in Commission auctions are eligible to receive designated entity (DE) benefits. Applicants to participate in the auction that claim to qualify as designated entities must so certify on FCC Form 175, the short-form application to participate in the auction. In order to allow time for the Commission to review and process their FCC Form 175, as well as to allow applicants time to correct and supplement FCC Form 175 as necessary, parties seeking to participate in the AWS 1 auction must file the form by May 10. Given that designated entity applicants will have filed FCC Form 175 prior to the effective date of any designated entity rule changes adopted pursuant to the *Second Report and Order*, the Commission will require each such applicant to amend its FCC Form 175 on or after the effective date of the rule changes with a statement declaring, under penalty of perjury, that the applicant is qualified as a designated entity pursuant to § 1.2110 of the Commission's rules effective as of the date of the statement. Therefore, this information collection is being modified by requiring a one-time additional declaration from a limited number of respondents.
