[Project No. 12053-002]

Nicholas Josten; Notice Dismissing Complaint

May 3, 2006.

On April 10, 2006, Stephen J. Bruzzone and Linda L. Bruzzone filed a complaint against Nicholas Josten, applicant for an exemption for the West Valley A&B Hydroelectric Project No. 12053.¹ The project is proposed to be located on the South Fork of the Pit River in Modoc County, California. The project would be located on approximately 31 acres of federal lands, managed by Forest Service and Bureau of Land Management. The pleading generally alleges that Nicholas Josten has made misrepresentations in information he filed in support of his application for exemption.²

The issues raised in the pleading relate to consideration of the application for exemption. As such, they are not properly the subject of a formal complaint. Accordingly, the complaint is dismissed and the comments raised in

¹ The proposed project would consist of two developments, West Valley A and West Valley Alternative B-1. West Valley A would be a run-of-river development with a capacity of 1.0 MW and would consist of: An existing concrete diversion structure; an existing intake structure; 11,600 feet of an existing open canal; a proposed concrete overflow structure; proposed 2,800 feet of new canal; a proposed 400-foot-long penstock; a proposed powerhouse; a proposed tailrace pipe; a proposed 3,000-foot-long, 12.3-kilovolt (kV) transmission line; and appurtenant facilities.

West Valley Alternative B-1 would be a run-of-river development with a capacity of 1.36 MW and would consist of: The existing West Valley Dam and outlet works; a new bypass valve attached to the existing dam outlet pipe; a proposed 2,850-foot-long penstock; a proposed powerhouse; a proposed tailrace canal; a proposed 4.5-mile-long, 12.3-kV transmission line; and appurtenant facilities.

² In particular, they assert that Mr. Josten provided the Commission with misleading information regarding water flow tables submitted on March 23, 2006.

the pleading will be considered in the exemption proceeding.³

[ER06-900-000]

Vermont Electric Power Company and Vermont Transco LLC

[AC06-107-000]

Take notice that on April 20, 2006, Vermont Electric Power Company (VELCO) tendered for filing an application pursuant to section 203 of the Federal Power Act for authorization of a disposition of jurisdictional facilities whereby virtually all of its transmission assets will be transferred to Vermont Transco LLC, a limited liability company being created under Vermont law, in exchange for a membership interest and other consideration. VELCO further states that in conjunction with the transaction, VELCO and VTransco proposed to transfer, cancel and/or modify several rate schedules that pre-date the provision of service under an open access transmission tariff and several service agreements executed under VELCO's local OATT, which are currently under VELCO's local service schedule in ISO New England's FERC Electric Tariff No. 3. VELCO and VTransco requests authorization to treat the costs associated with the transactions as regulatory assets that will be amortized and recovered over fifteen years.

ISO New England Inc., Central Vermont Public Service Corporation, Green Mountain Power Corporation and Vermont Electric Cooperative, Inc. have joined in this filing for the limited purpose of proposing modifications to the regional documents in New England, including the ISO New England's FERC Electric Tariff No. 3, including several local service schedules contained in Schedule 21. In addition, Central Vermont and Green Mountain Power requests authorization pursuant to section 203 of the Federal Power Act to acquire membership units that are being issued by VTransco.
