3. Amend § 762.140 by adding a new paragraph (e) as follows:

§ 762.140 General servicing responsibilities.

* * * * *

(e) *Continuation fee.* For lines of credit with a year or more remaining on their term that will be continued, the lender will remit a continuation fee to FSA as follows:

(1) The fee will be due on the anniversary date of the issuance of the guarantee on a line of credit. Fees will be accepted within 60 days of the anniversary date. Any fee received after 60 days but within 90 days of the anniversary date may be accepted by FSA provided the lender has documented that circumstances existed that were beyond their control to be able to remit the fee in a timely manner. If the annual fee is not received within this time, all advances made after the anniversary date will not be covered by the guarantee.

(2) The fee amount will be established by the Agency at the time the guarantee is obligated.

(3) Fees are nonrefundable and are paid to the Agency by the lender. The fee may be passed on to the borrower and included in loan funds.

(4) The continuation fee will be calculated as follows: Fee = Line of Credit Ceiling Amount × % guaranteed × (continuation factor established by FSA). The current fee schedule is available at any FSA office and will be published periodically as a Notice in the **Federal Register**. The continuation fee may be adjusted annually based on factors which affect program costs.

(5) Loans with interest assistance or loans to beginning farmers or ranchers in the direct beginning farmer downpayment program or a qualified State Beginning Farmer Program will not be charged an annual continuation fee.

Signed at Washington, DC, on April 24, 2006.

Administrator, Farm Service Agency.

FOR FURTHER INFORMATION CONTACT: Regulatory Policy and Programs Division, FinCEN on (800) 949-2732 (toll-free).

SUPPLEMENTARY INFORMATION: FinCEN issued an advance notice of proposed rulemaking (71 FR 12308) on March 10, 2006 in order to solicit further

information as part of our ongoing effort to address, in the context of the Bank Secrecy Act, the issue of access to banking services by money services businesses. We have received a number of comments to date, including a request to extend the deadline for comments in order to allow interested parties more time in which to comment on the specific issues raised in the advance notice.

In light of the fact that an extension of time will not impede any imminent rulemaking and will allow additional interested parties to respond to the issues raised in the advance notice, we have determined that it is appropriate to extend the comment period until July 10, 2006.

Dated: May 9, 2006.

Robert W. Werner,

Director, Financial Crimes Enforcement Network.
