

United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

Third, that, after notice and opportunity for comment as provided in section 766.23 of the EAR, any other person, firm, corporation, or business organization related to any of the Denied Persons by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of this Order.

Fourth, that this Order does not prohibit any export, reexport, or other transaction subject to the EAR where the only items involved that are subject to the EAR are the foreign-produced direct product of U.S.-origin technology.

In accordance with the provisions of Section 766.24(e) of the EAR, the Respondents may, at any time, appeal this Order by filing a full written statement in support of the appeal with the Office of the Administrative Law Judge, U.S. Coast Guard ALJ Docketing Center, 40 South Gay Street, Baltimore, Maryland 21202-4022.

In accordance with the provisions of Section 766.24(d) of the EAR, BIS may seek renewal of this Order by filing a written request not later than 20 days before the expiration date. The Respondents may oppose a request to renew this Order by filing a written submission with the Assistant Secretary of Commerce for Export Enforcement, which must be received not later than seven days before the expiration date of the Order.

A copy of this Order shall be served on the Respondents and shall be published in the **Federal Register**.

This Order is effective upon date of publication in the **Federal Register** and shall remain in effect for 180 days.

Entered this 12th day of May, 2006.

Darryl W. Jackson,

Assistant Secretary of Commerce for Export Enforcement.

Certain Pasta from Italy: Extension of Time Limits for the Preliminary Results of the Antidumping Duty Administrative Review

EFFECTIVE DATE: May 23, 2006.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Dennis McClure or Preeti Tolani (202) 482-5973 or (202) 482-0395, respectively, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On August 29, 2005, the U.S. Department of Commerce ("the Department") published a notice of initiation of the administrative review of the antidumping duty order on certain pasta from Italy, covering the period from July 1, 2004, to June 30, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 70 FR 51009 (August 29, 2005). On March 16, 2006, the Department published a notice of extension of time limits for the preliminary results of the administrative review. See *Notice of Extension of Time Limits for the Preliminary Results of Antidumping Duty Administrative Review of Certain Pasta from Italy*, 71 FR 13584 (March 16, 2006). The preliminary results of this review are currently due no later than May 18, 2006.

Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested. Consistent with section 751(a)(3)(A) of the Act, the Department may extend the 245-day period to 365 days if it is not practicable to complete the review within a 245-day period.

We determine that completion of the preliminary results of this review by May 18, 2006, is not practicable because additional time is needed by the Department to consider all comments filed by the petitioners and respondents participating in this review, including the comments filed shortly before the May 18, 2006, deadline. In order to analyze necessary additional information, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results to the full 365-day period. Therefore, the preliminary results are now due no later than July 31, 2006. The final results continue to be due 120 days after publication of the preliminary results.

This notice is published in accordance with sections 751(a)(3)(A) and 777(I) of the Act.

Dated: May 17, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

[OMB Control No. 9000-0159]

Federal Acquisition Regulation; Submission for OMB Review; Central Contractor Registration

AGENCIES: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Notice of request for public comments regarding an extension to an existing OMB clearance.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Federal Acquisition Regulation (FAR) Secretariat has submitted to the Office of Management and Budget (OMB) a request to review and approve an extension of a currently approved information collection requirement concerning the Central Contractor Registration database. A request for public comments was published in the **Federal Register** at 71 FR 6762, February 9, 2006. No comments were received.

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the FAR, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

DATES: Submit comments on or before June 22, 2006.

ADDRESSES: Submit comments regarding this burden estimate or any other aspect
