

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship

between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of Information and Regulatory Affairs has not designated this as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We have analyzed this proposed rule under Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this proposed rule is categorically excluded, under figure 2–1, paragraph (32)(e) of the Instruction, from further environmental documentation. There are no expected environmental consequences of the proposed action that would require further analysis and documentation.

List of Subjects in 33 CFR Part 117

Bridges.

Regulations

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; Department of Homeland Security Delegation No. 0170.1; 33 CFR 1.05–1(g); section 117.255 also issued under the authority of Pub. L. 102–587, 106 Stat. 5039.

2. From 9 p.m. July 15 to 5 a.m. September 30, 2006, in § 117.1041, suspend paragraph (a)(1) and add a new paragraph (a)(3) to read as follows:

§ 117.1041 Duwamish Waterway.

* * * * *
(a) * * *

(3) From Monday through Friday, except all Federal holidays but Columbus Day, the draws of the First Avenue South Bridges, mile 2.5, need not be opened for the passage of vessels from 6 a.m. to 9 a.m. and from 3 p.m. to 6 p.m., except during these hours. The draws shall open at any time for a vessel of 5000 gross tons and over, a vessel towing a vessel 5000 gross tons and over, and a vessel proceeding to pick up for towing a vessel of 5000 gross tons and over. From July 15 to September 30, 2006, Sunday through Monday, the draws need not be opened for the passage of any vessels from 9 p.m. to 5 a.m.

* * * * *

Dated: May 11, 2006.

R.C. Parker,

Captain, U. S. Coast Guard, Acting District Commander, Thirteenth Coast Guard District.

Coast Guard

33 CFR Part 165

[CGD09–06–019]

RIN 1625–AA87

Security Zone, Mackinac Bridge and Straits of Mackinac, Mackinaw City, MI

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard is proposing to establish a permanent security zone approximately one quarter mile on each side of the Mackinac Bridge in the Straits of Mackinac near Mackinaw City, MI. This security zone will place navigational and operational restrictions on all vessels transiting through the Straits area, under and around the Mackinac Bridge, located between Mackinaw City, MI. and St. Ignace, MI. This rule will be in effect Labor Day of each year; 6 a.m. to 11:59 p.m.

DATES: Comments and related materials must reach the Coast Guard on or before June 23, 2006.

ADDRESSES: You may mail comments and related material to the Commander, Sector Sault Ste. Marie, 337 Water Street, Sault Ste. Marie, MI 49738–9501. Sector Sault Ste. Marie maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part

of this docket and will be available for inspection or copying at Sector Sault Ste. Marie between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have further questions on this rule, contact LCDR R. Stephenson, Prevention Department Chief, Sector Sault Ste. Marie, MI at 906-635-3220.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking [CGD09-06-019], indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know that your submission reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to the Sector Sault Ste. Marie at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a separate notice in the **Federal Register**.

Background and Purpose

The Mackinac Bridge Walk is held on Labor Day of each year. At this annual event participants are permitted to walk the five mile distance of the Mackinac Bridge from St. Ignace, MI to Mackinaw City, MI. The purpose of this security zone is to protect pedestrians during the event from accidental or intentional vessel to bridge collision.

Because this is an annual event, the Coast Guard is enacting a permanent security zone that will be in effect Labor Day of each year.

Discussion of Proposed Rule

Because of the nature of this event, the Coast Guard will require vessels transiting the security zone to adhere to specified operational and navigational requirements. These requirements include: All vessels must obtain permission from the COTP or a

Designated Representative to enter or move within, the security zone established in this section. Vessels with an operable Automatic Identification System (AIS) unit should seek permission from the COTP or a Designated Representative at least 1 hour in advance. Vessels with an operable AIS unit may contact VTS St. Marys River (Soo Traffic) on VHF channel 12. Vessels without an operable AIS unit should seek permission at least 30 minutes in advance. Vessels without an operable AIS unit may contact Coast Guard Station St. Ignace on VHF channel 16.

These restrictions are necessary for safe navigation of the bridge and to ensure the safety of vessels and their personnel as well as the public's safety due to the high number of pedestrians associated with the Mackinac Bridge Walk. Deviation from this rule is prohibited unless specifically authorized by the Commander, Ninth Coast Guard District or his designated representative.

Regulatory Evaluation

This proposed rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. It has not been reviewed by the Office of Management and Budget under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

We suspect that there may be small entities affected by this rule but are unable to provide more definitive information. The risk, outlined above, is severe and requires that immediate action be taken. The Coast Guard will evaluate as more information becomes available.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule will have a significant economic impact on it, please submit a comment to the Docket Management Facility at the address under **ADDRESSES**. In your comment, explain why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offered to assist small entities in understanding the proposed rule so that they can better evaluate its effects on them and participate in the rulemaking process. Small businesses may send comments on actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This proposed rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these

standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; 8sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321–4370f), and have made a preliminary determination that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, we believe that this rule should be categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction, from further environmental documentation. This temporary rule establishes a security zone and as such is covered by this paragraph.

A final "Environmental Analysis Check List" and a final "Categorical Exclusion Determination" are available in the docket where indicated under **ADDRESSES**. Comments on this section will be considered before we make the final decision on whether the rule should be categorically excluded from further environmental review.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and record keeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for Part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Public Law 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Add § 165.928 to read as follows:

§ 165.928 Security Zone; Mackinac Bridge, Straits of Mackinac, Michigan

(a) *Definitions*. The following definitions apply to this section:

(1) *Designated Representative* means those persons designated by the Captain of the Port to monitor these security zones, permit entry into these zones, give legally enforceable orders to persons or vessels within these zones and take other actions authorized by the Captain of the Port. Persons authorized in paragraph (e) of this section to enforce this section and Vessel Traffic Service St. Marys River (VTS) are Designated Representatives.

(2) *Federal Law Enforcement Officer* means any employee or agent of the United States government who has the authority to carry firearms and make warrantless arrests and whose duties involve the enforcement of criminal laws of the United States.

(3) *Navigable waters of the United States* means those waters defined as such in 33 CFR part 2.

(4) *Public vessel* means vessels owned, chartered, or operated by the United States, or by a State or political subdivision thereof.

(5) *Michigan Law Enforcement Officer* means any regularly employed member of a Michigan police force responsible for the prevention and detection of crime and the enforcement of the general criminal laws of Michigan as defined in Michigan Compiled Laws section 28.602(l)(i).

(b) *Security zone*. The following area is a security zone: All waters enclosed by a line connecting the following points: 45°50.763N: 084°43.731W, which is the northwest corner; thence east to 45°50.705N: 084°43.04W, which is the northeast corner; thence south to 45°47.242N: 084°43.634W, which is the southeast corner; thence west to 45°47.30N: 084°44.320W, which is the southwest corner; then north to the point of origin. The zone described above includes all waters on either side of the Mackinac Bridge within one-quarter mile of the bridge. [Datum: NAD 1983].

(c) *Obtaining permission to enter or move within, the security zone*: All vessels must obtain permission from the COTP or a Designated Representative to enter or move within, the security zone established in this section. Vessels with an operable Automatic Identification System (AIS) unit should seek permission from the COTP or a Designated Representative at least 1 hour in advance. Vessels with an operable AIS unit may contact VTS St. Marys River (Soo Traffic) on VHF channel 12. Vessels without an operable AIS unit should seek permission at least 30 minutes in advance. Vessels without an operable AIS unit may contact Coast Guard Station St. Ignace on VHF channel 16.

(d) *Regulations.* The general regulations in 33 CFR part 165 subpart D, apply to any vessel or person in the navigable waters of the United States to which this section applies. No person or vessel may enter the security zone established in this section unless authorized by the Captain of the Port or his designated representatives. Vessels and persons granted permission to enter the security zone shall obey all lawful orders or directions of the Captain of the Port or his designated representatives. All vessels entering or moving within the security zone must operate at speeds which are necessary to maintain a safe course and which will not exceed 12 knots.

(e) *Enforcement.* Any Coast Guard commissioned, warrant or petty officer may enforce the rules in this section. In the navigable waters of the United States to which this section applies, when immediate action is required and representatives of the Coast Guard are not present or not present in sufficient force to provide effective enforcement of this section, any Federal Law Enforcement Officer or Michigan Law Enforcement Officer may enforce the rules contained in this section pursuant to 33 CFR § 6.04–11. In addition, the Captain of the Port may be assisted by other federal, state or local agencies in enforcing this section pursuant to 33 CFR 6.04–11.

(f) *Exemption.* Public vessels as defined in paragraph (a) of this section are exempt from the requirements in this section.

(g) *Waiver.* For any vessel, the Captain of the Port Sault Ste. Marie may waive any of the requirements of this section, upon finding that operational conditions or other circumstances are such that application of this section is unnecessary or impractical for the purpose of port security, safety or environmental safety.

(h) *Enforcement period.* This rule will be in enforced Labor Day of each year; 6 a.m. to 11:59 p.m.

Dated: May 2, 2006.

E.Q. Kahler,

Captain, U.S. Coast Guard, Captain of the Port, Sault Ste. Marie.

Port Access Routes Study of Potential Vessel Routing Measures to Reduce Vessel Strikes of North Atlantic Right Whales

AGENCY: Coast Guard, DHS.

ACTION: Notice of study results; request for comments.

SUMMARY: The Coast Guard announces the completion of a Port Access Route Study that analyzed potential vessel routing measures and considered adjusting existing vessel routing measures in order to help reduce the risk of vessel strikes of the highly endangered North Atlantic right whale. The study focused on the northern region off the Atlantic Coast which included Cape Cod Bay, the area off Race Point at the northern end of Cape Cod (Race Point) and the Great South Channel; and in the southern region which included areas along the seacoast in the approaches to the Ports of Jacksonville and Fernandina Beach, Florida, and Brunswick, Georgia. This notice summarizes the study's recommendations. Comments on these recommendations are requested.

DATES: Comments and related material must reach the Docket Management Facility on or before June 5, 2006.

ADDRESSES: Comments and material received from the public, as well as the actual study and other documents mentioned in this notice, are part of docket USCG–2005–20380 and are available for inspection or copying at the Docket Management Facility, U.S. Department of Transportation, room PL–401, 400 Seventh Street SW., Washington, DC, 20590–0001, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. You may also find this docket on the Internet at <http://dms.dot.gov>.

You may submit comments identified by Coast Guard docket number USCG–2005–20380 to the Docket Management Facility at the U.S. Department of Transportation. To avoid duplication, please use only one of the following methods:

(1) Web site: <http://dms.dot.gov>.

(2) Mail: Docket Management Facility, U.S. Department of Transportation, 400 Seventh Street SW., Washington, DC 20590–0001.

(3) Fax: 202–493–2251.

(4) Delivery: Room PL–401 on the Plaza level of the Nassif Building, 400 Seventh Street SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

(5) Federal eRulemaking Portal:

<http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice of study results, call George Detweiler, Office of Navigation Systems, Coast Guard, telephone 202–267–0574, or send e-mail to Gdetweiler@comdt.uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–493–0402–0271.

SUPPLEMENTARY INFORMATION: You may obtain a copy of the Port Access Route Study by contacting either person listed under the **FOR FURTHER INFORMATION CONTACT** section. A copy is also available in the public docket at the address listed under the **ADDRESSES** section and electronically on the DMS Web Site at <http://dms.dot.gov>.

Public Participation and Request for Comments

We encourage you to comment on the study and its recommendations by submitting comments and related materials. All comments received will be posted, without change, to <http://dms.dot.gov> and will include any personal information you have provided. We have an agreement with the Department of Transportation (DOT) to use the Docket Management Facility. Please see DOT's "Privacy Act" paragraph below.

Submitting comments: If you submit a comment, please include your name and address, identify the docket number for this notice of study (USCG–2005–20380), indicate the specific section of this document to which each comment applies, and give the reason for each comment. You may submit your comments and material by electronic means, mail, fax, or delivery to the Docket Management Facility at the address under **ADDRESSES**; but please submit your comments and material by only one means. If you submit them by mail or delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all
