##### II. Contractor Requirements

Under the contract number EPA-W-06-038, the contractor will perform the following:

1. Assist each OPP Division with document handling and preparation for "scan ready" condition.
2. Operate OPP-supplied scanning equipment to produce 300 dpi resolution PDF documents.
3. Copy documents to designated areas on OPP Storage Area Network.
4. Create and maintain project logs for progress tracking.
5. Establish a document quality control program.
6. Perform quality control for all scanned pages.

This contract involves no subcontractors.

The OPP has determined that the contract described in this document involves work that is being conducted in connection with FIFRA, in that

pesticide chemicals will be the subject of certain evaluations to be made under this contract. These evaluations may be used in subsequent regulatory decisions under FIFRA.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of FFDA.

In accordance with the requirements of 40 CFR 2.307(h)(3), the contract with MTSI, prohibits use of the information for any purpose not specified in the contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, MTSI is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to MTSI until the requirements in this document have been fully satisfied. Records of information provided to MTSI will be maintained by the EPA Project Officer for this contract. All information supplied to MTSI by EPA for use in connection with this contract will be returned to EPA when MTSI has completed its work.

#### SUPPLEMENTARY INFORMATION:

##### I. General Information

###### A. Does this Notice Apply to Me?

This action is directed to the public in general. This action may, however, be of interest to those persons who are or may be required to conduct testing of chemical substances under TSCA. Since other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

###### B. How Can I Get Copies of this Document and Other Related Documents?

1. *Docket.* EPA has established an official public docket for this action under docket identification (ID) number EPA-HQ-OPPT-2003-0004. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include CBI or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the EPA Docket Center, Rm. B102-Reading Room, EPA West, 1301 Constitution Ave., NW., Washington, DC. ## II. What Action is the Agency Taking?

On March 22, 2006, in accordance with 40 CFR 2.209, the Associate Director for Research Policy and Implementation, of the Food and Drug Administration requested access to information collected through the authority of TSCA. Some of this information has been treated as CBI. FDA needs this information in connection to carrying out a pilot study with EPA by providing toxicology data and chemical structures for substances tested in genetic toxicity studies. FDA will supplement and enhance its battery Quantitative Structural Activity Relationship (QSAR) modules with the genetic toxicity data. The enhanced predictive genotoxicity QSAR modules will be made available to EPA to augment and improve EPA’s capability to identify potentially genotoxic chemicals.

EPA is issuing this notice to inform all submitters of information under all sections of TSCA that the Agency will be providing FDA access to these CBI materials on a need-to-know basis only. All access to TSCA CBI under this arrangement will take place at EPA Headquarters and FDA Headquarters located at 10903 New Hampshire Ave., Building 21, Room 1525, Silver Spring, Maryland 20993-0002.

Clearance for access to TSCA CBI under this arrangement may continue until June 1, 2011.

FDA personnel will be required to sign non-disclosure agreements and be briefed on appropriate security procedures before they are permitted access to the CBI.

### Source Reduction Assistance Grants Program for Seven of the Regional Pollution Prevention Program Offices; Notice of Availability

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** EPA is announcing the availability of grant funds to States, Tribes, Intertribal Consortia, local governments, colleges/universities and non-profits in fiscal year (FY) 2006 under the Source Reduction Assistance (SRA) Grants Program. The program will support source reduction/pollution prevention projects that address the reduction or elimination of pollution at the source across all environmental media: Air, land, and water. EPA will issue SRA awards under the statutory authorities of the Clean Air Act, section 103(b) and (g); Clean Water Act, section 104(b)(3); Federal Insecticide, Fungicide, and Rodenticide Act, section 20; Safe Drinking Water Act, section 1442 (a)(1) and (c); Solid Waste Disposal Act, section 8001(a); and Toxic Substances Control Act, section 10. The total amount of funding available in FY 2006 is up to \$163,000 for each of the seven participating EPA regional program offices or approximately \$1.14 million in total funding. SRA awards will support pollution prevention activities during the FY 2006-2007 budget cycle. The maximum funding level per project is \$100,000. You may access the full text of the grant announcement at <http://www.epa.gov/oppt/p2home/grants/index.htm>
