

2. Funding Available

The Department expects to award a total of approximately \$13 million in FY2006. The funding available includes approximately \$10 million from this year's appropriations and approximately \$3 million from previously unobligated funds.

On page 11956, section II.A., second column, the first sentence is corrected to read as follows:

This NOFA announces the availability of approximately \$13 million in FY2006 to employ FSS program coordinators for the PH FSS program.

On page 11957, section III.C.2.d., second column, is corrected to read as follows:

d. Troubled PHAs—Contract Administrator Partnership Agreement. PHAs that are troubled at the time of application are required to submit a signed Contact Administrator Partnership Agreement. The agreement must be for the entire grant term. The grant award shall be contingent upon having a signed Partnership Agreement included in the application. If an applicant that is required to have a Contract Administrator Partnership Agreement fails to submit one, this will be treated as a technical deficiency. See the General Section for more information on Corrections to Deficient Applications. The Contract Administrator must ensure that the financial management system and procurement procedures that will be in place during the grant term will fully comply with 24 CFR part 85. Troubled PHAs are not eligible to be contract administrator. Grant writers who assist applicants to prepare their FSS application are ineligible to be Contact Administrators.

[Docket No. FR-5030-C-1C]

Notice of HUD's Fiscal Year (FY) 2006 Notice of Funding Availability, Policy Requirements and General Section to SuperNOFA for HUD's Discretionary Grant Programs; Reopening for Additional Eligible Activity for Hispanic-Serving Institutions Assisting Communities (HSIAC) Program

AGENCY: Office of the Secretary, HUD.

ACTION: Super Notice of Funding Availability (SuperNOFA) for HUD Discretionary Grant Programs; Reopening for Additional Eligible Activity for Hispanic-Serving Institutions Assisting Communities (HSIAC) Program.

SUMMARY: On March 8, 2006, HUD published its Fiscal Year (FY) 2006 SuperNOFA (SuperNOFA), for HUD's Discretionary Grant Programs. This document modifies the HSIAC Program. The notice published today announces that "Construction, renovation, expansion of an institution's own facilities" is an eligible activity. As a result, HUD is reopening the competition for available funds. The application deadline date is now June 29, 2006. Applicants who have already submitted applications may submit new and complete applications to reflect this change. These changes do not affect the application package for the HSIAC Program NOFA on Grants.gov.

DATES: The application submission date for the HSIAC Program is June 29, 2006.

FOR FURTHER INFORMATION CONTACT: The HSIAC NOFA identifies the applicable agency contacts for each program. Questions regarding today's Notice should be directed to the agency contacts identified in the program NOFA.

SUPPLEMENTARY INFORMATION: On March 8, 2006 (71 FR 11712), HUD published its Notice of HUD's Fiscal Year (FY) 2006, SuperNOFA for HUD's Discretionary Grant Programs. The FY2006 SuperNOFA announced the availability of approximately \$2.2 billion in HUD assistance. This notice published in today's **Federal Register** modifies the HSIAC Program NOFA. HUD had inadvertently included among the ineligible activities an activity that is eligible for funding under this NOFA. Construction, renovation, and expansion of an institution's facilities are eligible activities for funding. In order to provide applicants will adequate time to prepare and complete their application in light of this change, the application submission period has been reopened. The deadline date for applications is now June 29, 2006. Applicants who previously submitted applications may resubmit a new and complete applications in response to the change made today. The remainder of the HSIAC Program NOFA is unchanged. Applicants should refer to the HSIAC Program NOFA published as part of HUD's Fiscal Year (FY) 2006, SuperNOFA for HUD's Discretionary Grant Programs on March 8, 2006 and HUD's Fiscal Year 2006 Notice of

Funding Availability Policy Requirements and General Section to the SuperNOFA for HUD's Discretionary Grant Programs on January 20, 2006 (71 FR 3382) for all application requirements and procedures.

Summary of Changes to the HSIAC NOFA

Summaries of the changes made by this document follow. The page number shown in brackets identifies where the individual funding availability announcement that is being modified can be found in the March 8, 2006, SuperNOFA. The notice in today's **Federal Register** will also be reflected in the application instructions located on Grants.gov/Apply. Applicants must read the instruction download located on Grants.gov/Apply prior to submitting their application in order to receive all parts of the application.

Hispanic-Serving Institutions Assisting Communities (HSIAC) Program [11756]

On page 11757, Overview Information, section F., first column, HUD is reopening the competition and establishing an application deadline date of June 29, 2006.

On page 11758, section III.C.a., second column, HUD is modifying the list of eligible activities by adding paragraph (12), which includes construction, renovation, and expansion of an institution's own facilities as eligible activities.

On page 11761, section IV.C., first column, HUD is reopening the competition and establishing an application deadline date of June 29, 2006.

On page 11761, section IV.E.e., first column, HUD is removing, "e. Construction renovation, expansion of an institution's own facilities" from the list of ineligible CDBG activities. DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Draft Environmental Assessment (EA) for "Guidelines for Living With Florida Panthers and the Interagency Florida Panther Response Plan" and Notice of Receipt of an Application for Amendment to an Endangered Species Permit

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of Availability; receipt of application.

SUMMARY: The Florida panther (*Puma concolor coryi*) is one of the rarest large mammals in the United States. The panther is protected as an endangered species under the Endangered Species Act (Act) and Florida statutes. Due to the panther's potential for extinction, conflicts with humans raise issues that require careful consideration and action such that the intent and ability to conserve the species is unaltered while the safety of the public remains paramount. We announce the availability of an Environmental Assessment (EA) that considers alternatives for managing panther-human conflicts. The alternatives are intended to result in nonsignificant impacts to panthers, humans and the environment.

The public is also invited to comment on an application for amendment to a permit to conduct certain activities with endangered and threatened species. This notice is provided under section 10(c) of the Act.

DATES: Written comments on the EA should be sent to the Service's Field or Regional Office (see **ADDRESSES**) and should be received on or before July 24, 2006.

Written comments and/or data must be received on the application for amendment to the Endangered Species

Permit at the address given below, by July 24, 2006.

ADDRESSES: Layne Hamilton, Refuge Manager, Florida Panther and Ten Thousand Islands National Wildlife Refuges, 3860 Tollgate Blvd., Suite 300, Naples, Florida 34114, or Southeast Regional Office, Fish and Wildlife Service, 1875 Century Boulevard, Suite 420, Atlanta, Georgia 30345 (Attn: Elizabeth Souheaver). Persons wishing to review the Environmental Assessment may obtain a copy on the Internet at <http://www.fws.gov/verobeach>. They may also obtain a copy by writing the Service's Southeast Regional Office, Atlanta, Georgia (see **ADDRESSES**.) Please reference the Environmental Assessment associated with an interagency-developed management guidelines in such requests. Documents will also be available for public inspection by appointment during normal business hours at the Regional Office (see **ADDRESSES**.) If you wish to comment, you may submit comments by any one of several methods. Please reference the Environmental Assessment associated with an interagency-developed management guidelines in such comments. You may mail comments to the Service's Regional Office (see **ADDRESSES**). You may also comment via electronic mail (e-mail) to pantherresponseplan@fws.gov. Please submit comments over the internet as an ASCII file avoiding the use of special characters and any form of encryption. Please also include your name and return address in your internet message. If you do not receive a confirmation from us that we have received your internet message, contact us directly at either telephone number listed under **FOR FURTHER INFORMATION CONTACT**. Finally, you may hand deliver comments to either Service office listed under **ADDRESSES**. Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their names and home address from the administrative record. We will honor such requests to the extent allowed by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comments. We will not, however, consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of

organizations or businesses, available for public inspection in their entirety.

If you wish to comment on the application for amendment to the permit to conduct certain activities with endangered and threatened species, you may submit comments by any one of the following methods. You may mail comments to the Service's Southeast Regional Office, 1875 Century Boulevard, Suite 200, Atlanta, Georgia or via electronic mail (e-mail) to victoria_davis@fws.gov. SUPPLEMENTARY INFORMATION: Florida panthers occur primarily in southern Florida, and most individuals reside south of Lake Okeechobee. Recovery actions over the past 25 years, particularly genetic augmentation initiated in 1995, enabled the population to grow from 30-50 animals to 80-100 animals in 2005. During this same period, the Florida human
