An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Forest Service

Title: The Role of Local Communities in the Development of Agreement or Contract Plans through Stewardship Contracting.

OMB Control Number: 0596-New.

Summary of Collection: Section 323 of Public Law 108-7 (16 U.S.C. 2104 Note) requires the Forest Service (FS) and Bureau of Land Management (BLM) to report to Congress annually on the role of local communities in the development of agreement or contract plans through stewardship contracting. To meet that requirement FS plans to conduct an annual telephone survey to gather the necessary information for use by both the FS and BLM in developing their separate annual reports to Congress.

Need and Use of the Information: The survey will collect information on the role of local communities in the development of agreement or contract plans through stewardship contracting. The survey will provide information regarding the nature of the local community involved in developing agreement or contract plans, the nature of roles played by the entities involved in developing agreement or contract plans, the benefits to the community and agency by being involved in planning and development of contract plans, and the usefulness of stewardship contracting in helping meet the needs of local communities.

Description of Respondents: Individuals or households; Business or other for-profit; Not-for-profit institutions; Federal Government; State, local or tribal government.

Number of Respondents: 350.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 175.
