**SUMMARY:** Pursuant to section 202 of the Federal Land Policy and Management Act (FLPMA) of 1976 (43 U.S.C. 1712) as amended, the Bureau of Land Management (BLM) has prepared an Environmental Assessment/Resource Management Plan (RMP) Amendment for a proposed shooting range. This document, available online at [http://www.blm.gov/az/env\\_docs/library/shooting\\_range\\_ea.pdf](http://www.blm.gov/az/env_docs/library/shooting_range_ea.pdf), analyzes the effects of the proposal on public lands and of amending the RMP to allow for disposal of land necessary for the shooting range and special management designation of land necessary for the buffer, for the Boundary Cone road alternative as described in Supplementary Information below. Pursuant to section 212 of FLPMA, the BLM has examined and found suitable for conveyance under the provisions of the Recreation and Public Purposes (R&PP) Act (43 U.S.C. 869 *et seq.*), as amended, two parcels of public land, as described in Supplementary Information below, in Mohave Valley near Bullhead City, Mohave County, Arizona. This notice invites comments on BLM's classification of that land as suitable for conveyance under the R&PP Act.

**DATES:** Protests regarding the proposed land use plan amendment must be postmarked by July 21, 2006. Comments regarding R&PP classification of public land must be postmarked by August 7, 2006.
