Title: Form OCSE-396A: Financial Report; Form OCSE-34A: Quarterly Report of Collections.

OMB No.: 0970-0181.

*Description:* Each State agency administering the Child Support Enforcement Program under Title IV-D of the Social Security Act is required to provide information to the Office of Child Support Enforcement concerning its administrative expenditures and its receipt and disposition of child support payments from non-custodial parents. These quarterly reporting forms enable each State to provide that information, which is used to compute both the quarterly grants awarded to each State and the annual incentive payments earned by each State. This information is also included in a published annual statistical and financial report, which is available to the general public.

The Administration for Children and Families received no comments concerning these reporting forms in

response to an earlier **Federal Register** Notice (71 FR 19190). In addition, on February 8, 2006, Public Law 109-171, the “Deficit Reduction Act of 2005” was enacted, which contains several amendments to the Social Security Act that will directly affect the financial reporting for this program. Most of these amendment changes will be effective October 2007 and October 2008.

For these reasons, we are requesting that the existing forms be reapproved, without changes, through September 2008. During that time, we will continue to review the statutory changes and develop revisions to these forms that will comply with those changes.

*Respondents:* State agencies administering the Child Support Enforcement Program.
