

collection will remain available to the public in microform in the Public Search Facility. Thus, all information currently available will remain available in non-electronic format.

For the reasons discussed above, the USPTO believes that removal of the paper search collection of marks that include designs will not negatively impact the public. All existing paper records will remain available in microform. Design coding errors will be reduced through checking by applicants and internal training and quality review procedures. The creation of the on-line dual design coding system will benefit the public because it will be available to all members of the public through the Internet.

Any interested member of the public is invited to provide comments on this modified plan to eliminate the trademark paper search collection of marks that includes design elements. Once all comments have been reviewed and addressed, and any necessary modifications have been made, the USPTO will submit another report to Congress detailing its plan. The paper collection of marks containing designs will not be removed until the USPTO has certified that the implementation of such plan will not negatively impact the public. An additional notice to the public will be issued 60 days prior to removal.

Dated: June 15, 2006.

#### **Draft Environmental Assessment for the Transformation of the 49th Fighter Wing at Holloman Air Force Base, NM**

**AGENCY:** Department of the Air Force, Air Combat Command, Department of Defense

**ACTION:** Notice of Availability (NOA) to announce that a Draft Environmental Assessment at Holloman Air Force Base, New Mexico for transforming the 49th Fighter Wing through retirement of the F-117A, and T-38A, and beddown of the F-22A is available for review.

**SUMMARY:** The United States Air Force is issuing this NOA to announce that a Draft Environmental Assessment (EA) addressing the proposed transformation of the 49th Fighter Wing (49 FW) at

Holloman Air Force Base (AFB), New Mexico is available for review. The Draft EA addresses the potential environmental consequences of a proposal to transform the combat capability of the 49th Fighter Wing and maximize the use of available infrastructure at Holloman AFB by replacing the retiring F-117A aircraft and T-38A aircraft supporting the F-117A mission with two new F-22A squadrons. The transformation would enhance the low observable, precision weapons system capability of the 49th Fighter Wing. The Draft EA is issued in compliance with the National Environmental Policy Act (NEPA) of 1969 (42 U.S.C. 4321-4347), the Council on Environmental Quality NEPA Regulations (40 CFR 1500-1508); and the Air Force's Environmental Impact Analysis Process (EIAP) (Air Force Instruction 32-7061 as promulgated at 32 CFR 989). The Draft EA analyzes the following actions at Holloman AFB:

1. Retire F-117A and T-38A aircraft currently based at Holloman AFB.
2. Beddown and operate two F-22A aircraft squadrons.
3. Renovate existing facilities and construct new facilities to support the F-22A squadrons.
4. Adjust base manning to reflect F-22A beddown requirements.
5. Conduct F-22A training routinely in airspace within 100 miles of Holloman AFB, to include supersonic operations.
6. Create on Air Traffic Control Assigned Airspace (ATCAA) and modify the Cowboy ATCAA.
7. Expand chaff and flare use in military airspace.

Alternative airspace training and the No Action Alternative are addressed in the Draft EA. The Draft EA is available for review at the following: Online at <http://www.a7zpinintegratedplanning.org>; Alamogordo Public Library, Artesia Public Library, Branigan Memorial Library, Carlsbad Municipal Library, Cloudcroft Library, Dona Ana Community College Library, El Paso Community College-Rio Grande Campus Library and Transmountain Campus Library, El Paso Public Library, Las Cruces Public Library, New Mexico State University Branson Library, New Mexico State University Alamogordo Library, Ruidoso Public Library, Truth or Consequences Public Library, Village of Carrizozo, Holloman AFB Library, National Technical Information Service, and Mescalero Community Library; or you may also request a copy of the Draft EA from Holloman AFB Public Affairs at 505-572-5406.

#### Full Text of Announcement

##### I. Funding Opportunity Description

**Purpose of Program:** This program promotes academic achievement and improves results for children with

disabilities by supporting technical assistance, model demonstration projects, dissemination of useful information, and implementation activities that are supported by scientifically-based research.

**Priority:** In accordance with 34 CFR 75.105(b)(2)(v), this priority is from allowable activities specified in the statute (see sections 663 and 681(d) of the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. 1400 et seq.).

**Absolute Priority:** For FY 2006 this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is: *General Supervision Enhancement Grants (GSEG)*.

#### Background

Section 616 of the Individuals with Disabilities Education Act (IDEA) requires the Department and States to establish and implement systems for monitoring implementation of and enforcing obligations under Parts B and C of IDEA. The Department monitors States, and requires each State to monitor its LEAs, using indicators that the Secretary established for certain priority areas under section 616 of IDEA. Under Part B of the IDEA (Part B) each State must develop a State Performance Plan (SPP) that, among other things, evaluates its efforts to implement the requirements and purposes of Part B. As part of its SPP, a State must establish targets for the indicators established by the Secretary, and use those targets and indicators in annually reporting to the Secretary on its performance in the priority areas. Each State also must use its targets and the Secretary's indicators to report annually to the public on the performance of each LEA in the State.

One of the indicators established by the Secretary under section 616 of IDEA (for the priority area concerning the provision of a free appropriate public education in the least restrictive environment) is the participation and performance of children with disabilities on the State assessments required under title I of the Elementary and Secondary Education Act of 1965, as amended (ESEA). States are expected to report on student performance on State assessments in their SPPs and Annual Performance Reports (APRs) using the same assessment data required under title I of ESEA.

Title I of ESEA requires accountability for the academic achievement of all students. Under that law, every school is expected to be working to ensure that every one of its students and group of students meet State achievement
