

their respective services to determine a medical qualification status. Associated forms may or may not be required depending on the medical information contained in the medical examination. If the medical examination and associated forms, if necessary, are not accomplished, individuals reviewing the medical examination cannot be readily assured of the medical qualifications of the individual. Without this process the individual applying to any of these programs could not have a medical qualification determination. It is essential that individuals have a medical qualification determination to ensure compliance with the physical standards established for each respective military service program.

### Draft Toxicological Review of Dibutyl Phthalate (Di-n-Butyl Phthalate): In Support of the Summary Information in the Integrated Risk Information System (IRIS)

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of peer-review workshop and public comment period.

**SUMMARY:** EPA is announcing that the Oak Ridge Institute of Science and Education (ORISE), under an Interagency agreement between the Department of Energy and EPA, will convene an independent panel of experts and organize and conduct an external peer-review workshop to review the external review draft document titled, Toxicological Review of Dibutyl Phthalate (Di-n-Butyl Phthalate): In Support of Summary Information in the Integrated Risk Information System (IRIS) (NCEA-S-1755). The EPA also is announcing a public comment period for the draft document. EPA will consider comments and recommendations from the public and the expert panel meeting when EPA finalizes the draft document.

The public comment period and the external peer-review workshop are separate processes that provide opportunities for all interested parties to comment on the document. In addition to consideration by EPA, all public comments submitted in accordance with this notice will also be forwarded to EPA's contractor for consideration by the external peer-review panel prior to the workshop.

EPA is releasing this draft document solely for the purpose of pre-dissemination peer review under applicable information quality guidelines. This document has not been formally disseminated by EPA. It does not represent and should not be construed to represent any Agency policy or determination.

ORISE invites the public to register to attend this workshop as observers. In

addition, ORISE invites the public to give brief oral comments at the workshop regarding the draft document under review. The draft document and EPA's peer-review charge are available via the Internet on NCEA's home page under the Recent Additions and the Data and Publications menus at <http://www.epa.gov/ncea>. When finalizing the draft document, EPA will consider ORISE's report of the comments and recommendations from the external peer-review workshop and any public comments that EPA receives in accordance with this notice.

**DATES:** The peer-review panel workshop will begin on July 28, 2006, at 9 a.m. and end at 4 p.m. The public comment period begins June 27, 2006 and ends July 21, 2006. Technical comments should be in writing and must be received by EPA by July 21, 2006. Comments from the public received by July 14, 2006, will be submitted to the panel prior to the workshop.

**ADDRESSES:** The peer-review workshop will be held at The American Geophysical Union, 2000 Florida Avenue, NW., Washington, DC 20009-1277. The EPA contractor, ORISE, is organizing, convening, and conducting the peer-review workshop. To attend the workshop, register by July 11, 2006, by calling ORISE at 865-241-5784, sending a facsimile to 865-241-3168, or sending an e-mail to Leslie Shapard, [shapard@orau.gov](mailto:shapard@orau.gov). You may also register via the Internet at [http://www.orau.gov/dibutyl\\_phthalate](http://www.orau.gov/dibutyl_phthalate). You must register by July 11, 2006, if you wish to provide brief oral comments at the workshop.

The draft Toxicological Review of Dibutyl Phthalate (Di-n-Butyl Phthalate): In Support of Summary Information in the Integrated Risk Information System (IRIS) is available via the Internet on the National Center for Environmental Assessment(s) (NCEA) home page under the Recent Additions and the Data and Publications menus at <http://www.epa.gov/ncea>. A limited number of paper copies are available from NCEA's Technical Information Staff. Please contact the Technical Information Staff by telephone at 202-564-3261 or by facsimile at 202-565-0050. If you are requesting a paper copy, please provide your name, mailing address, and the document title. Copies are not available from ORISE.
