### Natural Resources Conservation Service

#### Rehabilitation of Floodwater Retarding Structure No. 6a of the Martinez Creek Watershed, Bexar County, TX

**AGENCY:** Natural Resources Conservation Service, USDA.

**ACTION:** Notice of a Finding of No Significant Impact.

**SUMMARY:** Pursuant to Section 102(2)(c) of the National Environmental Policy Act of 1969; the Council on Environmental Quality Regulations (40 CFR Part 1500); and the Natural Resources Conservation Service Regulations (7 CFR Part 650); the Natural Resources Conservation Service, U.S. Department of Agriculture, gives notice that an environmental impact statement is not being prepared for the rehabilitation of Floodwater Retarding Structure No. 6A of the Martinez Creek Watershed, Bexar County, Texas.

**FOR FURTHER INFORMATION CONTACT:** Larry D. Butler, PhD, State Conservationist; Natural Resources Conservation Service, 101 South Main, Temple, Texas 76501-7682; Telephone (254) 742-9800.

**SUPPLEMENTARY INFORMATION:** The environmental assessment of this federally assisted action indicates that the project will not cause significant local, regional, or national impacts on the environment. As a result of these findings, Larry D. Butler, PhD, State Conservationist, has determined that the preparation and review of an environmental impact statement is not needed for this project.

The project will rehabilitate Floodwater Retarding Structure No. 6A to maintain the present level of flood control benefits and comply with the current performance and safety standards.

Rehabilitation of the site will require the dam to be modified to meet current

performance and safety standards for a high hazard dam. The modification will consist of raising the top of dam 3.1 feet, installation of an additional principal spillway (36" hooded inlet type with an impact basin), and widening both auxiliary spillways 50' to accommodate the construction of splitter dikes. All disturbed areas will be planted to adapted native and/or introduced species. The proposed work will not have a significant affect on any prime farmland, endangered or threatened species, wetlands, or cultural resources.

Federal assistance will be provided under authority of the Small Watershed Rehabilitation Amendments of 2000 (Section 313, Pub. L. 106-472). Total project cost is estimated to be \$1,627,100, of which \$1,151,500 will be paid from the Small Watershed Rehabilitation funds and \$475,600 from local funds.

The notice of a Finding of No Significant Impact (FONSI) has been forwarded to the Environmental Protection Agency and to various Federal, State, and local agencies and interested parties. A limited number of copies of the FONSI are available to fill single copy requests at the above address. Basic data developed during the environmental assessment are on file and may be reviewed by contacting Larry D. Butler, PhD, State Conservationist.

No administrative action on implementation of the proposal will be taken until 30 days after the date of this publication in the **Federal Register**.

### Foreign-Trade Zones Board

[Order No. 1453]

#### Grant of Authority for Subzone Status, Northern Imports, LLC (Magnesium and Aluminum Diecasting), Harbor Springs and Newberry, Michigan

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Foreign-Trade Zones Act provides for “. . . the establishment . . . of foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes,” and authorizes the Foreign-Trade Zones Board (the Board) to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs ports of entry;

Whereas, the Board's regulations (15 CFR Part 400) provide for the establishment of special-purpose subzones when existing zone facilities cannot serve the specific use involved, and when the activity results in a significant public benefit and is in the public interest;

Whereas, the City of Sault Sainte Marie, Michigan, grantee of Foreign-Trade Zone 16, has made application for authority to establish special-purpose subzone status at the magnesium and aluminum diecasting facilities of Northern Imports, LLC, located in Harbor Springs and Newberry, Michigan (Docket 3-2005, filed 1-7-2005);

Whereas, notice inviting public comment was given in the Federal Register (70 FR 2997, 1-19-2005); and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and Board's regulations would be satisfied, and that approval of the application would be in the public interest if approval were subject to restriction;

Now, therefore, the Board hereby grants authority for activity related to magnesium and aluminum diecasting at the manufacturing facilities of Northern Imports, LLC, located in Harbor Springs and Newberry, Michigan (Subzone 16A), as described in the application and Federal Register notice, subject to the FTZ Act and the Board's regulations, including Section 400.28, and further subject to a restriction requiring that all foreign-origin magnesium alloy products not subject to U.S.

antidumping or countervailing duty orders must be admitted to the subzone under privileged foreign status (19 CFR §146.41) when used to manufacture finished products for the U.S. market.

Signed at Washington, DC, this 31st day of May 2006.

### Foreign-Trade Zones Board

[Docket T-2-2006]

#### Foreign-Trade Zone 52 - Suffolk County, New York, Application for Temporary/Interim Manufacturing Authority, TKD Industries, Inc. (Cosmetic Kitting), Ronkonkoma, New York

An application has been submitted to the Executive Secretary of the Foreign-Trade Zones Board (the Board) by the Town of Islip (New York), operator of foreign-trade zone (FTZ) 52, requesting temporary/interim manufacturing (T/IM) authority within FTZ 52, at the facility of TKD Industries, Inc. (TKD) located in Ronkonkoma, New York. The application was filed on June 20, 2006.

The TKD facility (85 employees) is located within FTZ 52 at 200 Trade Zone Drive in Ronkonkoma, New York. Under T/IM procedures, the company has requested authority to manufacture cosmetic kits (HTS 3303.00, 3304.10, 3304.20, 3304.91, and 3305.10; these products enter the United States duty free). The company may source the following input items from abroad for manufacturing the finished products under T/IM authority, as delineated in TKD's application: pre-shave/after-shave (HTS 3307.10); deodorants/antiperspirants (3307.20); bath products (3307.30); plastic boxes (3923.10); plastic bottles (3923.30); plastic caps (3923.50); plastic displays (3923.90); dust covers (3926.90); glass containers (7010.90); and applicators (9616.20). Duty rates on these inputs range from 2.5% to 4.9% *ad valorem*. T/IM authority could be granted for a period of up to two years. TKD has also submitted a request for permanent FTZ manufacturing authority (for which Board filing is pending), which includes one additional input.

FTZ procedures would allow TKD to elect the finished-product duty rates for the ten imported production inputs listed above. The company indicates that it would also realize logistical/paperwork savings and duty-deferral savings under FTZ procedures.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at: Office of the Executive Secretary, Foreign-Trade Zones Board, U.S. Department of Commerce, Room 1115, 1401 Constitution Ave. NW., Washington, DC 20230. The closing period for their receipt is July 27, 2006.

A copy of the application will be available for public inspection at the Office of the Foreign-Trade Zones

Board's Executive Secretary at the address listed above.

Dated: June 20, 2006.

### International Trade Administration

[Docket No. 060615167-6167-01]

#### Correction to Notices of Antidumping and Countervailing Duty Decisions

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notices; correction.

**SUMMARY:** From September 7, 2005, through November 10, 2005, the Department of Commerce issued notices of antidumping and countervailing duty decisions in which the title of the official signing the notice was incorrect. This document corrects the title of the officials that signed notices during that period.

#### Background

The Deputy Assistant Secretary for Antidumping and Countervailing Duty Policy and Negotiation (DAS/IA) began serving as the Acting Assistant Secretary for Import Administration on January 9, 2005, when the position became vacant. The DAS/IA assumed this position under the Vacancies Reform Act (VRA) because he is the first principal to the Assistant Secretary. The VRA, however, only permits an individual to serve in an "Acting" capacity for a certain number of days after a vacancy has occurred. In this case, the DAS/IA was permitted to serve in an "Acting" capacity until September 7, 2005. After that time, he/she must revert to his/her original title, but may perform the non-exclusive duties of the vacant office. Through an oversight, the DAS/IA did not cease using the title "Acting" after September 7, 2005. From September 7, 2005 through November 10, 2005, the DAS/IA continued to sign various antidumping and countervailing duty decisions as "Acting Assistant Secretary for Import Administration." The DAS/IA also, on occasion, delegated those duties to other individuals within the Import Administration, who then signed
