On December 30, 2005, Froch Enterprise ("Froch"), stating that it was formerly Jaung Yuann Enterprise Co., Ltd., timely requested that the Department conduct an administrative review of Froch. The Department published a notice of the initiation of the antidumping duty administrative review of certain welded stainless steel pipe from Taiwan for the period December 1, 2004, through November 30, 2005. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 5241 (February 1, 2006). On June 5, 2006, Froch withdrew its request for an administrative review.

Rescission of Review

The Department's regulations at section 351.213(d)(1) provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws its request at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. Although Froch withdrew its request after the 90-day deadline, the Department finds it reasonable to extend the withdrawal deadline because the Department has not yet devoted any significant time and resources to this review, and Froch was the only party to request a review.¹ Further, we find that Froch's withdrawal does not constitute an abuse of our procedures. Therefore, we are
